1. This four-year plan is a **recommended guide** to complete your bachelor's degree in 4 years.

2. As outlined in UNC's Undergraduate Catalog, every UNC student must meet the following established general requirements in order to graduate with a bachelor's degree:
   --Earn a minimum of 120 semester credit hours
   --Have a University of Northern Colorado cumulative GPA of at least 2.00. Certain programs or majors may have additional requirements.
   --Have at least 31 credit hours in courses designated as Liberal Arts. The Liberal Arts Curriculum program is described under Undergraduate Studies. See "The Liberal Arts Curriculum."
   --Meet all degree requirements in the student's major field of study, as listed in the catalog current when the first major is officially declared. This may include required minors, licensures, and/or endorsements.

3. An AA/AS degree will result in a waiver of UNC's Liberal Arts Curriculum (general education) and the transfer of at least 60 credits depending on course grades.
