

URSA MAJOR

DISC GOLF COURSE

DISC GOLF

Disc golf is played like ball golf, but you are using a disc golf disc. One stroke is counted each time the disc is thrown and when a penalty is incurred, such as out of bounds. The object is to acquire the lowest possible score.

RULES

1. Tee off from the designated tee area.
2. After the initial throw, the player with a disc farthest from the hole throws first. Subsequent shots will be thrown from where the disc came to rest. A player will throw as many times as needed to get the disc inside the basket.
3. A run-up and normal follow-through after release is allowed more than 10 meters from the basket. Within the 10 meters, a player may not step past the point of the lie until after the disc thrown has landed.
4. Each hole is finished when the disc comes to rest inside the basket. The player who has completed all holes at the lowest total score is the winner.

REMEMBER

1. Do not throw when people are on or near the fairway. Pedestrians have the right of way.
2. Shout "Fore" on any errant throws.
3. Only throw if you have a visual on your intended flight path and it is clear. Do not throw if you cannot see around a tree, building or other obstacle.
