

UNIVERSITY of  
NORTHERN COLORADO

**College of Natural and Health Sciences (NHS)  
Student Ambassador Application**

Students who participate in the College of Natural and Health Sciences' Student Ambassadors Program serve in a voluntary role and provide support to a variety of College activities. For example, NHS Student Ambassadors may give tours and supply information to campus visitors, act as resource persons at recruitment functions, assist with College events, and acquire experience in a leadership role that will enhance their résumés. The program is open to sophomore, junior, senior and graduate students who are majoring in a program within the College of Natural and Health Sciences and who have earned at least a 2.80 cumulative GPA. Students selected to serve as Student Ambassadors will be high-achieving individuals who have an outgoing personality and possess (or be willing to acquire) a good knowledge of the University and College.
