

Homework Assignment Assigned: 8/26/08

MATH 181 with Joe Champion

Due: Thursday, August 28

The goal of this assignment is to collect information about what you know, what you like, and how I might help you learn.

1. Complete the *How Do You Like to Learn?* survey.
2. Complete the *Interest Survey*.
3. Complete the *Student Information Sheet*.

Due: Tuesday, September 2

These tasks are to make sure everyone understands the policies and expectations in the course.

1. Read the *Course Syllabus*.
2. Complete the *Syllabus Quiz*.

Refer to the syllabus for the class policies regarding assignments (e.g., giving clear explanations, turning-in assignments on time)
