

Homework and Quiz Policies

Math 181– 8am Tuesdays & Thursdays—with Joe Champion

Quizzes

- Quizzes are assigned at the *end of class on Tuesdays*,
- Quizzes assigned on Tuesdays are due at the *beginning of class on Thursdays*
- Some in-class time to work on the quiz, with the option of taking home to finish
- Students work individually on the quiz—can only ask questions of the instructor or youngsters under the age of 12
- Question formats will be a mix of constructed response and multiple-choice/true-false.
- Quizzes are to be printed on colored paper

Homework

- Assigned *in-class on Tuesdays* and posted on the course website (Blackboard).
- Due at the beginning of class *one week after being assigned*
- 24-hour grace period: A student earns full credit by turning in an assignment by 8am the day after the homework is due (can find the instructor during office hours or by put homework in his mailbox or email an electronic form of the assignment). Otherwise late homework earns no credit.
- Homework assignments will include some mandatory exercises and some choice of exercises.
- Homework will be scored based on equal values attached completion/effort AND correctness. If, for example, an assignment is worth 10 points, 5 points can be earned by completing every task with full effort, and 5 points can be earned by providing full explanations of reasoning for each task.
