

Name:

## More with the Babylonian Numeration System

---

This activity has two purposes.

- (1) Demonstrate how to write numbers in the Babylonian number system.
- (2) Explain your reasoning for each answer in a way that you think is understandable for a 6th grader.

*Note:* You may want to use a piece of scratch paper for this activity.

What might you say to a 6<sup>th</sup> grader prior to showing them your work below?

Base-10	Babylonian	Written Explanation
3,136		
82,904		
302,420		
17,943,034
