MED 599 ACTION RESEARCH PROJECT

Assignment 12 – Implications for the Profession

The goal of this assignment is to provide an opportunity to begin the discussion of the results of the data analysis with respect to educational policy and research.

Part 1 Reading: The purpose of the reading is to introduce you to the idea of action planning for educational change.
- Read Chapter 7 from Mills (2007).

Part 2 Reflection: The purpose of this activity is to reflect on the results of the data analysis.
- Write about your recommendations for other teachers and administrators based on the results of your study.
- In your review of literature, you cited several studies or professional articles related to your study. Write about how the results of your research compares to the information gathered in your review of literature.

Format Requirements
- Please submit your discussion of your results with respect to the profession. It should be typed and double-spaced in an appropriate font.
- Please include a cover page with your name, the date, the course number and credit number, the assignment number, and your current area of focus.
- The file name for your assignment should be Assign12.Name where Name is your last name (e.g., Assign12.Powers)
- You may submit the assignment via Blackboard or e-mail.
