- Maximum amount of hourly credit accepted toward UNC degree requirements = 90 semester hours. Capping of the 90 hours may occur at the time of transfer evaluation or degree audit.
- A grade of C- or higher must be earned for transfer of credit. Only hours apply to the UNC record; not GPA from other institutions.
- The Office of Admissions continues to build, update, and maintain transfer course equivalency libraries used for articulation.
- High School Concurrent courses will appear with an "S" grade if the student earned a grade of C- or above.
- Courses that are non-transferable to UNC (i.e. vocational/technical) will not appear on the evaluation report.
