

UNC Western Undergraduate Exchange (WUE)

*Ski, hike, camp and study in Colorado!
Think you can't afford UNC? Think again.*

Non-resident students can save over \$6,000 in tuition costs each year at the University of Northern Colorado with the Western Undergraduate Exchange. WUE provides reduced tuition to students who are residents of one of the states participating in the WUE program.

THE WUE TUITION CLASSIFICATION

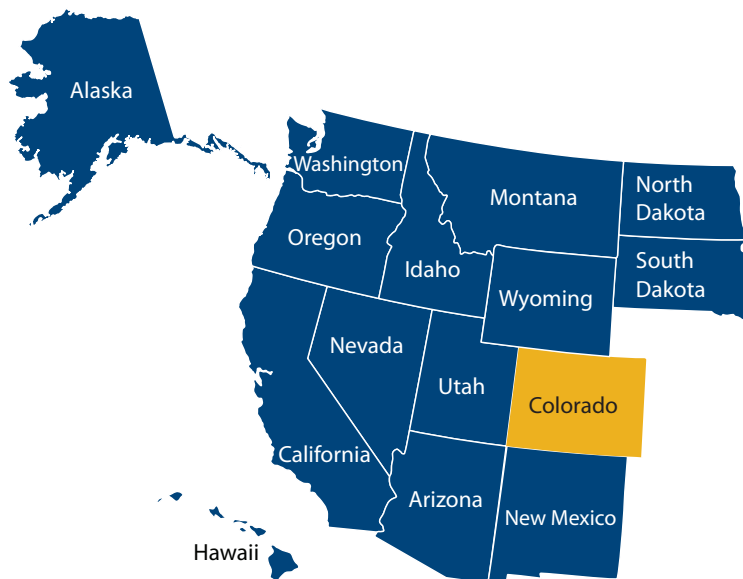

This tuition classification allows students to pay tuition at a minimum of 150% the resident tuition rate. This is a savings of over \$6,000 per year. It is automatically offered to non-resident students who are permanent residents in one of the WUE states.

PROGRAM HIGHLIGHTS

You may participate in an internship or another exchange program and retain your WUE status. The internship must be a credit-bearing University of Northern Colorado course and the exchange enrollment must generate legitimate UNC credit hours.

ELIGIBILITY

To participate in the WUE program, students must be a permanent resident of one of the following blue-colored states:

HOW TO APPLY

Your application for admission also serves as your application for WUE. In addition, you may submit the UNC Universal Scholarship Application to be considered for other scholarships. Detailed information about all of the UNC scholarships is at www.unco.edu/ofa/scholarships.

The tuition reduction is given to students who are working on their first bachelor's degree program. Students in off-campus cash-funded programs (Extended Studies) are not eligible and should check with the Office of Extended Studies regarding scholarship opportunities.
