

# UNC Standard Computer Purchasing

---

**Desktop and Laptop computers purchased with University funds go through Bear Logic due to the following facts.**

- **Standard configurations for Windows & Mac, Desktops & Laptops**
  1. Configurations are decided by committee (Faculty, Staff & Technicians)
  2. Minimum specifications are established– upgrades are available
  3. 4 year warranty (3 year on Macs)
  4. Reduced support costs
  5. Configuration meets “Bronze Level” or higher of EPEAT, the Electronic Product Environmental Assessment Tool
  6. Standard software installed in compliance with license agreements
  
- **Software is tested & verified on approved computers**
  1. Anti-virus software
  2. Firewall software
  3. Encryption software
  4. System management software
  5. Other UNC standardized software
  
- **Costs**
  1. Bulk purchasing power
  2. High quality – (Business Class Computers)
  3. UNC certified warranty technicians
  4. Expedited vendor support
  
- **Other**
  1. Centralized asset tracking
  2. Purchasing non-standard equipment consulting available
