## WORRY-FREE CATERING

Whether you need a simple barbecue to celebrate the return of summer, a black-tie gala, graduation party or that perfect elegant wedding, we guarantee an event that's carried out with professionalism, innovation and creativity. We realize how much effort goes into planning an event and are prepared and equipped to take away as much stress as possible. Working with our Scheduling and Events Office, we can provide you with a complete hassle-free event or make recommendations and guide you through the planning process so you can stay within your budget. Contact Scheduling and Events Office at [970-351-1315](tel:970-351-1315).

## EVENTS AND MORE

From corporate catering and family gatherings to remote weddings, UNC Catering staff are experts at providing top-quality, on- and off-site catering to both businesses and events. Choose from our menu selections or contact us to discuss your special requirements. We can deliver to the business, home or location of your choice. We can even host your event in one of our beautiful on-site locations.

## SOCIAL FUNCTIONS

Whether you're planning an intimate evening, or a gathering for many, let our professional and attentive staff help you make just the impression you desire.

## WEDDINGS

At UNC Catering, we understand that no day is more important. You want it to be as unique as you are—to reflect your lives and to linger in your memories. Leave the details to us, sit back and watch your wedding story unfold.

## PROFESSIONAL EVENTS

Not only do we provide mouth-watering breakfasts and the best tasting signature box-lunches in town, we can also take care of your annual summer bash, holiday banquet or even that last-minute forgotten office birthday party.

## MENU SELECTION

We pride ourselves on the quality and variety of meals we serve. Our reputation rests on ensuring our food is fresh, the quality is exceptional and your event leaves a lasting impression.

Our commitment to quality begins with you. We offer a wide variety of options and menus to accommodate your needs.
