

Faculty Names and Departments are in Bold Typeset

Athanasίου, Michelle
Division of Professional Psychology

A contextual approach to social skills training: using template matching to identify context-specific behaviors

Robert H. Kirchner Jr.
2002

A comparison of the psychometric properties of functional behavioral assessment (FBA) methods

Amy J. Dahlstrom
2003

Baldo, Tracy
Division of Professional Psychology

Attachment to parents and peers: impact on adolescents psychosocial adjustment and interpersonal relationships in Taiwan

Miao-jung Lin
1998

Characteristics and roles of "good" clinical supervisors: reports of supervisees

Christine Ann Breier
1997

A comparative study between female and male perpetrators of domestic violence

Martin K. Munoz
1997

Donor insemination: a longitudinal study of single mothers and issues of disclosure

Debra A. Lang
1999

The efficacy of eye movement desensitization and reprocessing in the treatment of test anxiety

Matthew Blaise Enright.
1995

Evaluation and dismissal policies of CACREP accredited counseling programs: a policy analysis

Theresa M. O'Halloran
1997

An exploratory study of strength training as a mediator in women's bodyshape satisfaction

Robin Fako Rishel

2000

An exploratory study on the relationship between perfectionism and the subscales of the Strong Interest Inventory

Marlene Joyce Slyter

2000

The impact of peer mentoring on drug avoidance self-efficacy and substance use

James Howard Bramson

1999

The influences of parental divorce, paternal rejection, and paternal closeness on female dependency and romantic insecurity

Jane A. Zazzaro

1997

Interrelationships among and distinctiveness between the roles of counselor, supervisor, and mentor in counselor preparation programs

January Joy Pierce

2000

Middle school children's perception of social competence

Nancy L. Christensen Schlie

2000

Narcissistic and spiritual well-being measures of Lutheran clergy who have committed sexual misconduct

Percy Clark Francis

1997

Perceptions of rural and nonrural school guidance counselors

Kathleen Frances Quinn

1996

Pet facilitated therapy in an outpatient setting

Theresa A. Kelly

2001

The relationship between family of origin, personal counseling, and self-perceived and supervisor rated counseling skills

Michael Todd Barta

1999

Self-reported trauma symptoms among male and female domestic violence offenders

Bruce David Rumsey

2002

A study of self-efficacy expectancies and coping behaviors of first year college students in Thailand

Kannikar Nolrajsuwat

1995

Using metaphor in child counseling in Taiwan

Shu-Shin Lu

1999

Victim, survivor, and thriver: the influence of recovery labels on therapists' perceptions and conceptualization of treatment

Lisa R. Jacobs

1997

Bardos, Achilles

Division of Professional Psychology

Assessing learning disabilities in reading: a validity study of the Cognitive Assessment System

Shawn Powell

1999

The use of a cognitive strategy as an academic and behavioral intervention for children with attention-deficit/hyperactivity disorder

Cherise DeAnn Lerew

2003

Evaluating gender differences with experimental planning, attention, simultaneous and successive neuropsychological tasks in participants with and without learning disabilities

Andrew S. Davis

2003

Consistency in teachers' judgments of social competence: preferences for high versus low inference criteria

Henry Jackson Lindsey, III

1992

A cross validation of the Draw A Person: Quantitative Scoring System and the Draw A Person: Screening Procedure For Emotional Disturbance

Natalie Nina Politikos

1997

Describing the cognitive, socioemotional, and academic sequelae of children with acquired brain injury

Carol L. Skinner

2001

Differences in normal and seriously emotionally disturbed students on the Devereux Behavior Rating Scale-School Form, Draw a Person: screening procedure for emotional disturbance, and the Million Adolescent Clinical Inventory

John Curtis Dwors

1996

Longitudinal evaluation of children's educational status following participation in the Colorado Preschool Program

Susan Elisabeth Lidiak

1996

A PASS cognitive processes intervention study in mathematics

Mark Edwin Hald

2000

Planning-attention-simultaneous-successive cognitive processes of adults with learning disabilities and their relationship to academic achievement, study skills and compensatory strategies

Gary C. Macdonald

1994

The Planning-Attention-Simultaneous-Successive model of cognitive processing in youth with and without written expression disabilities

Judith Alene Johnson

2001

Predictors of body image and sex guilt with age and gender

Mary Ellen Fontenot

1992

Profiles for exceptional samples on the cognitive assessment system using configural frequency analysis

E. Nicole Crawford

2002

Risk factors, protective factors, and challenging behaviors in at risk preschool children: and exploratory analysis

Anthony John Baldo

2000

Utility of Das-Naglieri: Cognitive Assessment System in the discrimination of elementary school children with learning disabilities and speech impairments

Andrew G. Brams

1999

A validation study of the planning, attention, simultaneous, successive cognitive processing model with academically gifted adolescents

Debra Anne Stanley

1995

A validation study of the planning, attention, simultaneous, successive cognitive processing model with college students

Denise Estelle Maricle

1994

Bassett, Diane

Division of Exceptionalities and Bilingual/ESL Education

Teaching life skills: what do students, teachers, and employers think?

Stacey L. Bartholomew-Mathews

1995

Interagency collaboration in transition practice: An initial model

Jen Yi Li

2004

Bauer, Jeffrey

Department of Educational Technology

An aesthetic framework derived from the creative and conceptual design process of master designers of educational and game environments: a qualitative research perspective

Morgan M. Jennings

1998

Internet use of graduate and undergraduate students in the college of education at Kuwait University
Fahad A. Alkhezzi
2002

Characteristics of Job Corps students: their relationship to training completion and job placement
Denise E. Tolbert
2001

An investigation of instructional delivery time as a component of the instructional design process
Joseph A. Knight
2000

The phenomenon of knowledge transference from a constructive and cognitive-flexible hypermedia learning environment to a real world situation
Chien-hsing Wang
1995

The role of awareness of cognitive styles in a hypermedia environment matched and mismatched with cognitive style
Jennifer B. Summerville
1997

A study of the barriers and attitudes of faculty and administrators toward implementation of online courses
Yousef A. Alharbi
2002

Betts, George
Division of Exceptionalities and Bilingual/ESL Education

Attitudes toward services for gifted students at the middle school level
Janis Fall
1997

The development of a pictorial self-esteem scale for children with limited verbal skills
Debra Schell-Frank
1989

The examination of the learning disabled gifted: an educational paradox
Deborah Lynn Ferris
1987

The identification of musical talent
Deanna P. Butherus
1987

The impact of a summer enrichment program on participants and their families: a qualitative multiple-case study
Beth M. Bennett
1996

Social studies curriculum for gifted students in the secondary schools: a handbook
Eileen K. Arens
1982

SPROUTS: Summer PReschool for OUTStanding Children - a HANDBOOK
Laurene Nicholl
1982

The vision of images: a teacher's guide to the human imagination
Peter William Denzin
1985

A comparative study on career self-efficacy and perceptions of career decision-making among secondary students with gifts/talents, those with both gifts/talents and learning disabilities, and those with learning disabilities
Ching-Kai Hua
2002

Black, Linda
Division of Professional Psychology

Exploring factors that determine multicultural competence in counseling supervisors
Elisabeth C. Suarez
2002

Button, Linda
Department of Elementary Education

Constructivism in English as a foreign language secondary classrooms in Bangkok, Thailand
Neelawan Vanichakorn
2003

Carvajal, Antonio

Division of Exceptionalities and Bilingual/ESL Education

Current national trends in the education and placement of the educable mentally retarded

Louann Reynolds

1974

Human sexuality of the mentally retarded adult and related policies of the Jefferson County Community Center for the Developmentally Disabled (J.C.C.C.)

Cynthia Ann Garrels

1982

Leadership, curriculum, and instructional practices in instructionally effective atypical school districts

Robert Villarreal

1988

Cochran, Kathryn

Department of Educational Psychology

Accelerated reading: impetus for change in first grade classroom instruction

Eileen Lee Bourassa

1992

Being and becoming a teacher: meaningful information processing in an undergraduate educational psychology course

K.C. Holder

2000

An information processing analysis of working memory in relation to listening comprehension in young children

Cynthia A. Ewers

1988

Making sense of the moment: the essences and improvisational nature of teaching fifth-grade mathematics

Alice Horton Merz

1999

The moral development of home schooled and public schooled adolescents

Laura Manuel

2000

Preservice teachers' understanding of less is more : educational reform in the information age

Rod Troyer

1998

Cooney, John

Department of Educational Psychology

Dual processing theory applied to the development of number fact proficiency

Joseph P. Lounge

1986

Consequences of violating assumptions on the estimation of statistics in structural equation models

Tamara Nicole McCoy

2004

The task specificity of writing in a freshman English composition course: A confirmatory factor analysis of two structural models

Stuart Garry

2004

The impact of teaching styles on students' styles and academic outcomes

Peggy Lane

1999

Informal reasoning, guided direction, and an economic issue

Peter R. Furlong

1992

The integration of conceptual and procedural knowledge in the teaching of fifth grade mathematical skills

Phoebe A. Bloor

1987

An investigation of mathematics and reading achievement of 5- through 14-year olds using latent growth curve methodology

Diana D. Suhr

1999

Learned helplessness or test anxiety: an experimental investigation of cognitive deficits

Mohamed Mahmud Al-Marghani

1985

Mental addition in children and adults using chronometric and interview paradigms
Stephen Frank Ladd
1987

A model for evaluating the context of nursing care delivery
Janet L. Houser
2000

Predictors of physical and psychological wife abuse
Laura Annette-Barnard
1984

A study of the effects of competitive and individualistic feedback on childrens' [i.e. children's] attributional perceptions and performance in computer assisted mathematics instruction
Mark Allen Lewis
1985

A study of the effects of visual organizers on learning and retention
Ronald E. Miller
1984

Visuo-spatial and verbal working memory in skilled and less-skilled readers
James A. Reffel
1995

D'Amato, Rik
Division of Professional Psychology

A comparative analysis of sixth, seventh, and eighth grade regular education students with and without learning disabilities using lateral preference and learning style measures
Keith Cowie
1995

A comparison of elementary age siblings of Mexican American high school dropouts and persisters on academic expectancy, competence, attitude, and attendance
Robyn S. Hess
1993

Evaluating the Biber Cognitive Estimation Test, the Cognitive Assessment System, and the Behavior Rating Inventory of Executive Function as measures of executive functioning in children with attention-deficit/hyperactivity disorder (ADHD) and without ADHD

Blanca Palencia

2003

Evaluating the effects of a computer-based phonological processing intervention on phonological processing and reading achievement: a pilot study

Michael J. Tincup

2003

Evaluating the neuropsychological and behavioral abilities of migrant children and non-migrant children of Hispanic background

Dalene M. McCloskey

2000

Evaluating the relationship among memory, attention and intelligence with elementary age children who have learning disabilities

Diane C. Hoerig

1998

Evaluating the relationship between perinatal factors, behaviors and concept formation in six to eight year old children with and without learning disabilities

Patricia Work Leu

1995

Evaluating the relationship between traumatic brain injury, anger, and forgiveness

Theresa M. Gisi

1998

An examination of the neuropsychological basis of emotional disabilities in children

Kendra J. Bjoraker

2001

Pediatric brain injury and families: the parental experience

Dianne Prentiss

1997

Predicting personality style through an analysis of childhood experiences

Kerry S. Lassiter

1995

Traumatic brain injury self report: identifying the relationship between personality style and risk taking behavior

Phyllis A. Walters-Kemp

2001

A validation study of the planning-attention-simultaneous-successive model of cognitive processing in children with and without learning disabilities

Shelley Lancraft Frazier Pelletier

1996

Eldridge, Roger

Department of Reading

Classroom events that affect literacy acquisition of students who speak a language other than standard English as their primary language

Christi Ritter Loper

1995

A comparison of the English literacy achievement of fourth grade students in Taiwan, the Republic of China receiving ESL holistic language or ESL basal subskills instruction

Wei-jia Jan

1996

A content analysis of literature written in South Midland dialect: and a study of the knowledge, attitudes, and practices of middle school language arts and secondary English teachers related to dialect in literature and in the classroom

Ulinda J. Eilers

1999

Curricular decisions in the classroom context: a case study of how one teacher makes instructional choices

Steven O'Neil Keithley

1996

The discovery of the beliefs, attitudes, practices and communications about family literacy of three families with children experiencing difficulties in literacy development

Rosemary A. Battleson

2002

Early intervention using an intensive instructional focus with an at-risk first grade student: a case study

Jean McClure Weibel

1993

An experimental study of whole language instruction and basal reader instruction for the junior high English as a second language (ESL) students in Taiwan, Republic of China

Jen Chen

1991

The interactions and reflective thought processes that occur in a teaching/coaching/learning triad situated in a literacy context: a preservice teacher's, my own and our student's

Carolyn W. Edwards

1996

Learning to teach: case studies of elementary preservice teachers' reflective thinking about early field experiences

Marie Doyle

1992

Male attitudes towards reading: a qualitative study of eleventh grade boys

Valerie Lee

2002

Read-aloud practices and beliefs of teachers and students in northeastern Colorado

Gail Henik Hoagland

2002

Ferrell, Kay

Division of Exceptionalities and Bilingual/ESL Education

A kinematic analysis of transitional movements of preschool children who are blind or visually impaired

Kevin Allan Stewart

1997

An investigation of factors contributing to perceived transactional distance in an online environment

Nathan O. Lowell

2004

Reliability and validity of the Battelle Developmental Inventory when used with young children who are visually impaired

Sunhi Bak

2000

Special education teachers' attitudes and perceptions regarding teacher empowerment

Eva Lucille Lefebvre Kenny

2002

Vision in persons ages 9-21 with visual and multiple disabilities exposed to a systematic program of vision stimulation

Linda Mamer

1997

Fertig, Gary

Department of Elementary Education

The effects of an intergenerational program on life satisfaction of nursing home residents in Northern Colorado

Guei-Ying LinOu

2000

Elementary school teachers' attitudes toward an interdisciplinary curriculum in Taiwan, Republic of China

Cheng-Li Wang

2000

Gimmestad, Michael

Division of Educational Leadership and Policy Studies

Development of alternative policy scenarios for evaluation of continued competence of professional nurses

Sara Jarrett

2002

Perceived changes in career decidedness following completion of a for-credit career class Patricia K. Roberts

2004

Instructional supervision in selected Colorado community colleges: the role of the department chair in working with part-time and full-time faculty

Ralph F. Tarnasky

2000

Persistence of adult undergraduate students and their perceptions of how they matter to a public institution

Susan Elizabeth Kent

2004

Migrant and academic systems: perceptions of camp students in a learning community

Anne Marie Machin

2002

Gonzalez, David
Division of Professional Psychology

A comparison of anger expression among Chinese (in Taiwan), Chinese American and Caucasian American women

Jenny Pan
1999

Coping strategies and locus of control among adolescent runaways and non-runaways

Karen M. Imm
1998

Coping strategies and marital satisfaction of dual-career couples with children

Kimberly D. Howell
1998

Emotional eating and parental attachment as predictors of eating disorder symptoms in a non-clinical college population

Margaret J. Bowman
1999

Factors that influence a therapist's decision to involuntarily hospitalize individuals experiencing suicidal ideation

Donald H. Benson
1995

The impact of hopeful narratives on state hope, state self-esteem, and state positive and negative affect for adult female survivors of incest

Maureen Rose McVicker Trump
1997

An intervention upon counseling supervisors' views of human nature and supervisors' effectiveness and perceived empathy levels in supervisor-supervisee relationships

Hope Threadgill
1990

The Rorschach as an identifier and descriptor of the prejudiced personality

Daniel K Sanders
2000

Guido-DiBrito, Florence
Division of Educational Leadership and Policy Studies

Classroom experiences of self identified lesbian undergraduate students in higher education

Lisa Phelps
1999

Career satisfaction and life choices of black women presidents in traditionally Anglo public four-year higher education institution

Valarie Eugenia Brown-Klingelhofer
2003

Latina college students' perceptions of their college experience

Kathryn Skulley
2004

Cuentame su historia: Latina college students make meaning of the body politic

Katrina L. Rodriguez
2004

Making meaning of the Latina/White biethnic collective experience: Looking at the identity lenses of ethnicity, gender, and class

Samantha J. Ortiz
2004

A comparison of female and male senior student affairs officers' job satisfaction, life satisfaction, and inter-role conflict

Janet Elizabeth Anderson
1998

The development of a model and an instrument to measure nontraditional college students' academic persistence

Patricia A. Hunter
2002

Inside of hope: stories of first-generation, white working-class women students in higher education

Kimberly A. Poast
2002

Making meaning of student sojourner spirituality post study abroad

Tera A. Porterfield
2002

The relationship between student involvement in campus organizations and their personal wealth

Andrew W. Sheston

2000

Huang, Allen

Division of Exceptionalities and Bilingual/ESL Education

An analysis of parental response patterns regarding perceptions of family needs in relation to their special needs preschool children

David Haines

1992

Attitudes among professors, teachers, and graduate students in early childhood special education towards infants, toddlers, and preschoolers with HIV/AIDS

Liza Ing

1996

Conservation acquisition by moderately retarded adolescents and adults

Gilbert Michael Krug

1985

Demographic trends of Down syndrome in the state of North Dakota from 1960-1964 to 1980-1984

Carol Sue Butts

1986

The effectiveness of the effects of the differential reinforcement of other behavior and gentle teaching methods on target behavior of children with autism

Janet A. Pierson

1989

The effectiveness of viewing self-model videotapes, reinforcement, and verbal praise on increasing on-task behavior among students with moderate mental retardation in Taiwan

Yung-Yi Wu

1996

Effects of self-monitoring on children with attention deficit hyperactivity disorder

Chiu-Hua Lotus Chiang

1995

Pediatric HIV/AIDS: knowledge, attitudes, and perceptions of early childhood professionals

Nancy M. Sileo

1998

Preservice teacher competencies for secondary educators of students with mild and moderate disabilities

Lex B. Smith

1994

The role of the special education resource teacher in the context of school culture

JoAnn D. Stell

1989

Short-term memory information processing of non-cerebral-palsied hearing-impaired and cerebral-palsied hearing-impaired in the recall of visually, acoustically, and dactylally similar letters and nonsense syllables

Vae Rose Fultz

1985

The social status of sixth and seventh grade students with learning disabilities

Gregory J. Conderman

1989

A study of selected factors associated with adolescent suicide ideation

Carol Ann Watson

1991

A study on the correlation between suggestibility, chronological age, group membership, and sex

James L. Nickles

1987

Teachers' attitudes and beliefs toward seriously emotionally disturbed students in inclusive settings

Mary E. Chamberlin

1995

The use of Chinese phonetic symbols of children with autism in Taiwan

Kuo-Long Chen

2000

Hutchinson, Susan

Department of Applied Statistics and Research Methods

A Monte Carlo investigation of the Type I error and power associated with descriptive discriminant analysis as a MANOVA post hoc procedure

Mercedes Katherine Schneider

2002

Jackson, Lewis

Division of Exceptionalities and Bilingual/ESL Education

The effect of cooperative learning on the conversational interactions of mainstreamed hard-of-hearing students in middle school social studies classrooms

Kevin James Miller

1992

A qualitative exploration of the effects of a behavior support training process: assessing, developing, and implementing effective plans for two students with severe disabilities and puzzling behaviors

Robin D. Brewer

1998

Using milieu language teaching to facilitate the communication skills of children with severe disabilities in home environments

Chyong-Hwa Yeh

1994

Jacobs, Michael

Department of Educational Foundations and Curriculum Studies

Animal facilitated therapy: the benefits of equestrian therapy for the physically handicapped with cerebral palsy

Jill Sharon Bland

1987

A holistic health network for Colorado

Rodman (Rick) Lawrence Tidrick

1985

The new age wilderness leader: a rationale and experiential model for training

Frederick W. Medrick, III

1985

New paradigms for understanding the properties and functions of the brain: implications for education

Dee Joy Coulter

1981

A self-help workbook: health yourself, become independently

Helen Rollins Odom

1984

Johnson, Brian
Division of Professional Psychology

A cluster analysis with the MCMI-III and convicted male sexual offenders in the state of Colorado

Kimberly Kay Nelson
2001

An examination of the relationship between a client's stage of homosexual identity formation and perception of counselor attractiveness, expertness, and trustworthiness

Linda Mary Beeler
2001

Attachment and resilience as predictors of adjustment to college in college freshmen

Elizabeth I. Fassig
2003

The relationship between social support, coping style, positive/negative affect and depression and anxiety among patients with chronic obstructive pulmonary disease

Jennifer M. Keith
2003

King, Richard
Division of Educational Leadership and Policy Studies

Attitudes of superintendents and principals toward non-traditional sources of revenues for South Dakota high schools

Michael L. Garnos
1993

Collaboration between public school educators and home school families in Colorado: a case study of an alternative online program

Kristan Shane Enright
2003

Public policy dynamics: state legislators' perceptions of the role of government managers in the policy arena

Robert D. Trujillo
2003

Constituents' experiences in relation to the physical environment: a case study of an urban college in Taiwan

Li-chuan Kao
2003

Chief executive officer and noncredit director perceptions of the purpose of noncredit offerings and the recruitment of noncredit learners into credit experiences at two-year colleges in selected western states

Samuel Lee Sturman 1
1992

The chief information officer in higher education

Gary Martin Pitkin
1993

Education accountability: perceptions of teachers in selected Colorado school districts

Judith K. Mathers
2000

An exploratory study of the relationship between site-based management and collective bargaining

Cynthia W. Hagen
1990

High school administrators' perceptions of their comfort levels with the law of safe schools

Harry C. Bull, Jr
1997

Parent and community involvement in partnerships serving high and low at-risk middle schools in the Denver metropolitan area

Carol Peters
1996

Professional staff and parent perceptions of school effectiveness of Seventh-Day Adventist K-8 schools in the North American Division

David P. Gillham
2000

Real estate assets in the university endowment portfolio: an analysis of the acquisition process for selected private institutions

James R. Meurer
2001

A study of merit pay as a motivator of faculty performance at a public university

Xiangping Kong
2000

Ku, Heng-Yu
Department of Educational Technology

An examination of peer and self elaborated feedback strategies on student performance and motivation

Pei-Lin Liu
2004

Lennon, Randy
Department of Educational Psychology

Children's conceptions of death: the influence of cognitive development and death related experience

Priscilla Sisson
1987

Definitions of, and distinctions between, shame and guilt: a facet theory analysis

Jeff Elison
2003

The compass of shame scale: an assessment of shame-focused coping

Jeff Elison
2000

The effects of multiple sclerosis on mother-daughter interaction and self-esteem

Patricia A. Hickerson Crist
1988

A further look at horizontality: issues related to age, gender, and socioeconomic differences

Thomas P. Vecchione
1992

Perceived parenting patterns and adolescents' coping styles in Chinese culture

Shih-tai Wei
1997

The psychological states associated with HIV-antibody status in a sample of gay men

Jeffrey A. Thomas
1995

The relationships between domain-specific self-concepts and global self-esteem among adolescents in Taiwan

Yu-Wei Chu
2000

Study of self-report of stress and coping in children: a phenomenological approach
Michael A. LaConte
1998

Lohr, Linda
Department of Educational Technology

Analysis of a customized intervention for the development of a web-based lesson by pre-service teachers

Gary Brandon Murray
2000

Student-led leadership styles: a qualitative investigation of a constructivist-oriented educational technology learning environment

Christopher Scott Mahoney
2003

An examination of peer and self elaborated feedback strategies on student performance and motivation

Pei-Lin Liu
2004

An analysis of the influence of gender, grade level, and teacher on the selection of mathematics software by intermediate students

Donna E. Ferguson
2000

The efficiency and preference implications of scrolling versus paging when information seeking in long text passages

Clark G. Parsons
2001

Luckner, John
Division of Exceptionalities and Bilingual/ESL Education

Coarticulatory stability in the speech of children who are deaf or hard of hearing

Julie A. Hanks
2002

An examination of literacy instruction by teachers of adolescents who are deaf or hard of hearing

Jennifer Johnson Howell
2003

The perceptions of educational interpreters in two predominantly rural western states regarding their training and support needs

Carmel Collum Yarger

1997

The relationship of theory of mind to language variables and age of identification of congenital hearing loss in deaf children

Jean E. B. Lundy

2000

McDevitt, Teresa

Department of Educational Psychology

Development and validation of an instrument to measure preservice teacher's attitudes toward teaching African American students

Rosenna Bakari

2000

The effects of prematurity on maternal use of motherese

Kathleen Stephenson

1994

Elementary children's epistemological beliefs and understandings of science in the context of computer-mediated video conferencing with scientists

Janie Mefford Shaklee

1998

Factors associated with mothers' expectations for their adolescent children : a comparison between families with disabled adolescents and families with non-labeled adolescents

Jean P. Lehmann

1992

The nature of the learning environment created by young children through chase play

Stephanie A. Owens

2002

Perspectives on educational resilience from children facing adversity

Jayne A. Downey

2002

Reciprocal teaching of lecture comprehension and comprehension monitoring skills in college students

Norman R. Spivey

1994

Social problem finding: a cognitive-developmental perspective

Anthony Lewis Ambrosio

1994

Milian, Madeline

Division of Exceptionalities and Bilingual/ESL Education

A comparative study of foreign language education methodology in Colorado and Puerto Rico

Lynea E. Inglefield

1998

ESL teachers' practices, perceptions and experiences in educating second language learners with visual impairment

Paula Wenner Conroy

2000

A study of college English instructors' and sixth/seventh grade English teachers' beliefs about language learning and learning strategies to learn English as a foreign language in Taiwan, Republic of China

Wan-Mei Ho Chen

1998

Mundfrom, Daniel

Department of Applied Statistics and Research Methods

A comparison of the power of classical and newer tests of multivariate normality

Christopher James Mecklin

2000

Number of replications required in multiple comparison procedures monte carlo simulation studies

Ampai Ussawarujikulchai

2004

A factor analysis of the Cancer Behavior Inventory, Brief Form

Jody L. Noah

2000

Incremental validity and placement decision effectiveness: placement tests versus high school academic performance measures

Alan James Gerard Whitcomb

2002

Minimum sample sizes for conducting exploratory factor analyses

Tian-Lu Ke

2001

Poisoned brains: are the neuropsychological data valid?

Dawn L. Strongin

2001

Sample size needed for maximum likelihood factor analysis, principal component analysis, and principal factor analysis

Kimberly K. McFann

2002

Murry, Francie

Division of Exceptionalities and Bilingual/ESL Education

Animal-assisted therapy for elementary students with emotional or behavioral disorders

Jennifer S. Lieber

2002

Case-based instruction and emotive reaction: effects on the acquisition and application of inclusion techniques/strategies by pre-service elementary teachers

Mei-Ling Li

2002

A correlational study of the behavior profiles and self-concept scores of young children from Taiwan

Shu-Yi Juan

2000

Effective practices for students labeled with Significant Identifiable Emotional Disability

Jacqueline S. Phillips

1997

Teaching anger management to children with pervasive developmental disorders: the effect of computer-assisted instruction

Chu-Ting Ko

2002

O'halloran, M. Sean
Division of Professional Psychology

Anticipatory mourning: transitional processes of expected loss

Lory Clukey

2002

A collaborative inquiry with youth on their perceptions of violence: "I can put a good story behind all this violence stuff"

Cassie Yackley

2002

The development of the trauma therapist: a qualitative study of the therapist's perspectives and experiences

Beth A. Lonergan

1999

The effect of task specific multiple-embedded metaphors on math task self-efficacy

Deborah Renee Bloome

1994

The effects of repeated exposure to trauma on volunteer victim advocates

Charlene Ann Slover

1997

The efficacy of a self-defense program in decreasing sexual abuse symptomatology in female adolescent survivors

Pie Frey

1997

An exploration of the relationship between forgiveness, anger, and depression with prisoners in a drug abuse treatment program

John S. McKenzie

1997

Measuring rape-supportive attitudes, behaviors, and perceived peer norms among college men: validation of a social norms survey

Jennie Bruner

2002

Optimism, social support, and psychosocial adjustment in women with coronary heart disease

Lynn F. Tokumine

2001

The perceived power needs and fears of beginning versus advanced master's level community counseling students

Phranne Mae Robinson

1999

A qualitative study of the experiences of pastors' wives

Christine L. Rogers

2000

Reporting behavior of military sexual coercion and sexual assault victims

Marilyn K. Ramming

2002

Self-report of attachment history and moral development in young adults

James Glenn Rogers

1994

Women with breast cancer: biopsychosocial aspects of hope

Patricia A. Falcon

1998

Omdal, Stuart

Division of Exceptionalities and Bilingual/ESL Education

The twice-exceptional student labeled EBD and G/T: a qualitative case study

William F. Morrison

2000

Pulos, Steven

Department of Educational Psychology

Acculturation and academic attributions among Mexican, Mexican-American, and Anglo adolescents

Melba Megumi Weber

1994

Argumentative reasoning: a cross cultural study

Tracie Barnes

1996

Meta-analysis and reliability generalization of the Psychopathy Checklist applied to youth

Justin S. Campbell
