Program Philosophy/Policy Statement

The Summer Enrichment Program for the Gifted and Talented at the University of Northern Colorado exists to provide an opportunity for gifted and talented students and SEP staff members to develop their cognitive, creative, and affective potentials. SEP supports a physically and emotionally safe learning environment. The Summer Enrichment Program embraces and celebrates the differences among its participants, and it is expected that all will follow a code of conduct: SEP participants are expected to

- Remain in designated, supervised areas at all times.
- Respect themselves and others, and their property.
- Actively and positively participate in classes, options, and other activities.
- Avoid behaviors which infringe upon the rights of other participants to learn and grow.

I agree to follow the Code of Conduct. _____
