

Educator Preparation

Inspire Module Affidavit

To address the state licensure requirement of incorporating culturally responsive, trauma and evidence-informed practices into teacher preparation program, please select one of the following according to your program area requirement. Also, please provide screenshot evidence of your registered account with Inspire and/or a copy of DegreeWorks showing the course for your selection.

- ET + modules (at least 4 that compliment the curriculum for the requirement)
- Special course as determined by your program area and approved by EPPART + modules
- Modules (at least 8-12? that compliment the curriculum for the requirement)

By signing below I confirm that I have completed the requirement for culturally responsive, trauma and evidence-informed practices as designated by my program.
