

Shayne never wore a helmet in gym last year at least not that I know of. as for the ear phones maybe I'm not sure she has before, but there are times that she wouldn't?

10/11 Would Orlin to know what Shayne did last week?

Attached is Shayne's ear test for the record she did great w/aids she must have them on.

(- or please send home the Syon to this should go back + forth from home to school thanks)

10/12 Sorry about not writing in the book everyday. I will try harder to write a little ~~bit~~ bit each day.

Shayne has a reading book for her group "Gateways" and has been ~~having~~ <sup>spending</sup> a lot of time reading it during reading time. Today around 9:20, Kathy Kelly saw that Shayne's left hand was trembling a little. Kathy thought that it could have been a petit mal seizure - just to let you know. Endra, Shayne's para, said that Shayne's behavior didn't change at all before or
