Zeta Omicron Chapter

VOLUME 2, ISSUE 1

OCTOBER 2009

Committee Involvement in Zeta Omicron

This past year Zeta Omicron has created four new committees to encourage membership involvement and meet the goals of our growing chapter. New committees include:

Publisher/Newsletter: Mary Jo Stanley and Laurel Lallicker.

The Zeta Omicron web site can be accessed through UNC's SON web site under committees and events. Events for the upcoming year as well as links to previous events can be viewed.

Membership involvement: Paula Waldorf, Alissa Kessler, and Katrnia Einhellig.

Finance: Karne Gorton, Linda Sullivan, and Audrey Bopp.

Philanthropy/Service: Stephanie Deleone, Janelle Meredith, Season Baker, Connie Vogel, Michelle Young, and Mary Jo Stanley.

Our service committee will continue with our canned food drive for the coming year; please bring canned foods to all upcoming meetings for the 2009-2010 year. Last spring Zeta Omicron provided 42 pounds of canned food to the food bank of Weld County. This is a wonderful opportunity to assist those who are most in need.

Our local chapter will also be working with the Sunrise Mobile Clinic for needed supplies assisting through donations/funding to this organization. If you are interested in assisting in any activity please contact Mary Jo Stanley for further information.

Message from The President of Zeta Omicron

2008-2009 was a great year for Zeta Omicron. We are focused on improving our communication with our members through our new web site, newsletter, and e-mail distribution list.

We had a very informative presentation at our fall

meeting including Mary Atchison from United Way speaking about issues of poverty in Northern Colorado.

At our spring meeting Alison Merrill spoke on her doctoral work, "Facilitating Learning: What Teaching Strategies Work?"

We inducted 61 new members into our chapter in March, 2009

2009-2010 promises to be a busy and productive year for us. We look forward to seeing you at our first meeting in October. Alison Merrill, President
