

Hello, Friends of the Colorado Center for Rural Education!

December 2022

2023 Future Rural Teachers Summit

with 2022 Colorado Teacher of the Year, Autumn Rivera
February 2, 2023

Please encourage your high school and community college students to participate in our upcoming **Future Rural Teachers Summit**. Space is limited to 100 students, so register today!

The Summit will be held on the evening of February 2, 2023, in conjunction with the annual Future Teacher Conference (FTC) at the University of Northern Colorado on February 3rd. High school and community college students discover what it's like to be a teacher in one of Colorado's rural schools.

Did you know that we have stipends (scholarships) available for student teachers? We are now accepting applications for fall 2023.

Colorado Rural (Student) Teacher Stipend for Fall 2023

Apply by March 31, 2023.

The Colorado Center for Rural Education and the Colorado Department of Higher Education encourage talented teacher candidates to student teach in Colorado rural school districts and eventually become a teacher in a Colorado rural school district. The value of the stipend is up to \$4,000 for the semester of student teaching. Stipend recipients are expected to complete student teaching in a Colorado rural school district and then apply to and work in a rural school district. To apply, click the button below.

Click [here](#) for more information about all of the available stipends.

Let's Talk!

We are here to help your district recruit and retain fantastic teachers, and our services are always **free**. Let's schedule a time to visit in person so we can learn more about your community and your school and give advice tailored to you. To schedule a time, please reply to this email or email Robert Fulton directly at Robert.Fulton@unco.edu.

As part of the service, we will give you a one-page infographic about the Center for Rural Education that you can share with elected officials and community members. We will also review the [resources](#) available to teachers and districts.

Feel free to reach out to us anytime to talk about ways to address the acute teacher shortage. Our areas of expertise include:

- Adjunct instructor authorization
- Alternative licensing for teachers
- AmeriCorp and TutorCorps reading and math tutor volunteers
- Career centers and job boards
- Career and technical education
- CDE and CDHE supports
- Colorado Digital Learning Solutions (CDLS)
- Dual certification
- J-1 exchange teachers
- Loan forgiveness for educators
- National Board Certification
- Paraprofessionals-to-teachers
- Professional development for in-service educators
- Special service providers
- Student teacher recruitment
- Student educator test stipends
- Substitute teachers, short- and long-term
- TEACH Colorado
- Teacher of Record licensing
- TREP (Teacher Recruitment Education and Preparation)

We would love to visit in person, but we are also available to meet online at your convenience. To schedule a time to talk, please reply to this email or email Robert Fulton directly at Robert.Fulton@unco.edu.
