Dining Services

Taste of Home 2011

Dining Services would like you to share your family's secret recipes with us!! We are very aware that "home cooking" is a hard act to follow. By offering students some of their favorite dishes (from recipes supplied by you), we can provide a little touch of home while they are away from home.

We will be having our annual "Taste of Home" event on November 2nd, 9th, and 16th. Please send us your student's favorite recipes, in any category (main dish, side dish, soup, salad, or dessert), by Sunday, October 16th. If your recipe is selected, students will have an opportunity to taste-test your recipe. The most popular may even be incorporated into our UNC menus.

Recipe submission deadline is Sunday, October 16th.
