SORRY!!

University Aides, Graduate Assistants, and Teaching Assistants are NOT eligible for this program.

I authorize the University of Northern Colorado Payroll Department to deduct from my monthly paycheck for food and beverage items charged (from the 15th to the 14th) in participating dining facilities at the University of Northern Colorado. I understand charging privileges will be inactive in the months in which I do not receive a paycheck. I also understand that this authorization continues until withdrawn by me or until I am no longer employed by the University of Northern Colorado.
