

UNIVERSITY of
NORTHERN COLORADO
EXTENDED STUDIES

Extended Degree Program Graduate Student Guide

Updated February 2012

Welcome to Extended Studies at the University of Northern Colorado. This Student Guide is for students enrolled in Extended Degree programs. It will provide general information for your program and learning experience at UNC and the Office of Extended Studies. If you have any questions, or need assistance at any time, please feel free to contact the Office of Extended Studies (OES) at 970-351-2944 or at our email address: esinfo@unco.edu.

You will want to bookmark the Office of Extended Studies (OES) Current Programs webpage at <http://www.unco.edu/extendedstudies/extended/current/Cur-programs.html>. This is where you will find syllabi, schedules, book information and more. Make sure to note your program and location.

Table of Contents:

1. Extended Studies Locations and Contact Information
2. Graduate School Information
3. Ursa
4. Locating the Schedule of Classes and Course Registration Number
5. Registration Dates
6. Class Registration
7. Class Syllabus
8. Book and Material Requirements
9. Student E-mail Account (BearMail)
10. Subscribing to the Listserv
11. UNC Library Usage
12. Printing
13. Accessing Online Classes or Blackboard Supplement
14. Computer Specifications for Using Blackboard (online course elements)
15. Updating Personal Information with UNC
16. Tuition and Fees
17. Paying my Bill
18. Checking my Grades
19. Requesting Transcripts
20. Delinquent Account Status
21. Students with Disabilities
22. Dropping or Withdrawing from a Course
23. Dropping Out of a Program
24. Applying for Graduation
25. Academic Conduct Policy
26. Instructor Evaluations

- 27.** Portable Electronic Devices
- 28.** Financial Aid
- 29.** Student Health Insurance
- 30.** UNC Card
- 31.** Parking
- 32.** Extended Studies UNC Student Responsibilities

1. Extended Studies Locations and Contact Information

The Extended Studies staff is available to answer your questions from 8am to 5pm, Mountain Standard Time, Monday through Friday.

Our mailing address is:

Office of Extended Studies
University of Northern Colorado, Campus Box 21
Greeley, CO 80639

Web site: <http://www.unco.edu/extendedstudies>

Extended Studies Student Services: 970-351-1799

Main/UNC Campus:	Phone: 970-351-2944 (800) 232-1749 (toll free) Fax: 970-351-2519 Hours: 8a- 5p esinfo@unco.edu	UNC/Greeley Michener Library , Room L50 Greeley, CO 80639
Loveland:	Phone: 970-351-1693 Fax: 970-667-2407 Hours: 8a- 5p, M-F Evenings & weekends when classes are in session esinfo@unco.edu	UNC Loveland Center at Centerra 2915 Rocky Mountain Ave Loveland, CO 80538
Denver:	Phone: 303-637-4335 800-232-1749 (toll-free) 970-518-2810 (Denver Center Manager cell) Fax: 303-340-7229 esinfo@unco.edu Office Hours: Mon-Thurs, 8a-5p Fri. 8a-9p, Sat, Sun 8a-5p	UNC Denver Center at Lowry 1059 Alton Way, Bldg. 758 Denver, CO 80230
Colorado Springs:	Phone: 800-232-1749 (toll free) esinfo@unco.edu	UNC Colorado Springs Center 12320 Oracle Blvd, Colorado Springs, 80921

Maps/Directions can be found at <http://www.unco.edu/extendedstudies/homelinks/about-us.html>.
The campus map for UNC in Greeley is at <http://www.unco.edu/uncmap/>. Greeley students may
buy a parking permit at <http://www.unco.edu/parking/permits.html>. Parking is free at the
Loveland, Denver, and Colorado Springs Centers.

2. Graduate School Information

The Graduate School provides tools and information that will help you achieve your goal. Throughout your time at UNC, you will be primarily working with your academic program coordinator but the Graduate School helps see you through. Their website is a collection of resources designed to support your progress toward the completion of your degree. Check out their current student information at <http://www.unco.edu/grad/current/index.html> where you will find forms, preparation of thesis, capstone and dissertation information, deadlines and graduation information, as well as FAQ's.

3. Ursa

Ursa is the university's online single point of access to secure information and tools for students, faculty, and staff. Among the many options available to students through this portal are access to BearMail, your student records, e-bill, and course registration. Ursa is located at <https://ursa.unco.edu/>.

With Ursa, you'll be able to:

- View and search the catalog and class schedules
- Register for classes
- Get campus announcements directed to students
- Accept or decline financial aid awards
- View and pay account balances
- See balance of remaining work-study
- Check financial aid status
- Check your BearMail (university email)
- View grades
- View progress toward degree
- View and order transcripts

New Students—Activating Your Ursa Account

As a first time student, you have to activate your account. This could take anywhere from 15-30 minutes the one time.

Using a web browser, go to the UNC site at <http://ursa.unco.edu/>. If you have not been an “active” student or are a new UNC student, choose *I am a new student and need to activate my account* in the 2nd box on the left hand side of this page. If you have a pop-up blocker installed on your computer you will need to follow the instructions on the screen to remove the pop-up blocker in order to access Ursa. (Be sure you have your Bear number and your BearMail/e-mail information ready as both are necessary to activate your BearMail information/password.)

4. Locating the Schedule of Classes and Course Registration Number

You can access your class schedule through the Extended Studies website www.unco.edu/extendedstudies

→ Click *Extended Degree Programs, Licensures, and Certificates*

→ Choose *Current Students* then scroll down to find your program. If your program uses a cohort schedule, be sure to choose the correct cohort based on your location and date you started the program.

The Course Registration Number (CRN) can be found on the schedule of classes for your program. It is the five digit number that appears under the course prefix and number. You will use this number to register for the class in the Ursa system (see “Class Registration”).

5. Registration Dates

As a student you can view the dates for registering at:

http://registrar.unco.edu/registration/registering/reg_calendar.html#Top.

6. Class Registration

Logging In to Ursa and Registering

In the Secure Access Login area of <http://ursa.unco.edu/> you will need to enter your User Name (the first eight characters of your BearMail) and Password (the same password that is used to access BearMail) and then click the Login button.

There will be several tabs across the top of the screen. To register you will need to click on the *Student* tab and then follow these instructions:

1. Find the correct 5-digit course reference number (CRN) on your schedule of classes by following the steps listed in “How do I find the schedule of classes” section.
2. On the *Student* tab there is a *Registration Tools* menu. In this menu you will need to select *Register, Add or Drop* classes.
3. Select the appropriate term and submit.
4. From this point you can register for class on the *Add Classes Worksheet*:
 - *Enter the CRNs of the courses for which you want to register in the boxes.
 - *Click the Submit Changes button at the bottom of the page.
 - ** For Extended Studies classes you will be asked to enter a Start and End date. Do not enter dates. Click the submit changes button until the course is saved to your registration.**
 - *Read the instructions at the top of the page and scroll down to check for any registration errors.
 - *Review your current schedule.
5. When you have finished registering go back to the *Student* tab.
6. To view your schedule, select the *Registration* menu item. From here you can look at your Student Detail Schedule, Week at a Glance or Registration History. All three of the choices will give you a different view of your schedule.
7. To logout, click the *Logout* icon in the top right corner of the screen.

Common Registration Error Messages

- **Time Conflict**—course times overlap. Choose a different section for one or both of the conflicting classes, then add both classes to your registration.

- **Approval**—permission has not been processed. See the appropriate person to have the permission processed. Once it has been processed you will need to web register for the course. This applies in cases of required course pre-requisites, co-requisites, and major/college restrictions.
- **Class Closed**—the course section is full. You will need to register for another section or course.
- **Link Error**—You have registered for a lab or lecture section without the corresponding lecture or lab. Use the Add Class area to add BOTH the lecture and lab sections at the same time.
- **PIN**—Only undergraduate degree-seeking students need a PIN to register for Fall and Spring terms. Graduate and Certificate students do not need a PIN. If Ursa is requiring a PIN for registration in error, please contact Extended Studies Student Services at 970-351-1799.
- **Cohort Restrictions**- All Extended Studies degree program courses are closed to students not in the cohort or program. If you have been accepted into an Extended Studies program and are receiving a cohort error while you are trying to register, please call Extended Studies Student Services at 970-351-1799.

Ursa Portal Entry Troubleshooting

If you have problems logging onto Ursa please contact the Technical Support Center at 970-351-4357 or 1-800-545-2331.

Registration Troubleshooting

If you have problems registering for your classes, please contact Extended Studies Student Services at 970-351-1799 or the Registrar's Office at 970-351-2231. If the classes are closed, or if it is requiring a prerequisite, please contact the instructor or your program coordinator.

7. Class Syllabus

Prior to the start of each course, the syllabus will be linked to the schedule of classes page for your program (<http://www.unco.edu/extendedstudies/extended/current/Cur-programs.html>). The syllabus and any additional materials will be linked in red under the course CRN. You will need Adobe Acrobat Reader installed on your computer in order to print off the syllabi and other supporting materials. A free download of the latest version of Adobe Acrobat is linked on your program page.

You are responsible for any assignments due prior to the first day of class.

8. Book and Material Requirements

Books for each course are posted within the syllabus or if the syllabus is not yet available you can retrieve textbook information through UNC's bookstore (the service provider for all required texts and supplemental materials) website at www.unco.edu/bookstore/. On the UNC Bookstore and Fan Shop site you can view the official textbook list, order books, and view up-to-date bookstore hours.

The following directions will help you to find the textbooks for the classes for which you have registered:

1. Enter UNC Bookstore and Fan Shop website at: www.unco.edu/bookstore/
2. On the tab near the top of the page, click on Books then *Textbooks and Course Materials*.
3. There are drop-down selections to complete in order:
Step 1 – Select your *Term*
Step 2 – Select the *Department Prefix*
Step 3 – Select the *Course #*
Step 4 – Select *Section*. You are able to keep track of your section by verifying your teacher's name.
Click on *Submit*
4. Note: if book information has not yet been ordered by the faculty, no books may appear for that course. You will want to check back later for that course. Sometimes a course may not have a book. You can contact the instructor to verify.
5. Repeat this process then click *View Textbook List*
6. You can then review the materials, save for later, make changes, and add materials to your cart.

To order books through UNC Bookstore you can order using the web steps above or you contact the bookstore via telephone at 970-351-2135. Be ready to provide the needed textbook information along with the course number (CRN) and location (which site or if online) of your class.

You are responsible for having your books prior to class. The course syllabus contains detailed textbook information, in addition to the UNC Bookstore list for the course. You may purchase your books through any vendor you wish, however you are responsible for any costs incurred if you purchase the wrong edition, outdated materials, etc. Books are not available through the Office of Extended Studies.

9. Student E-mail Account (BearMail)

BearMail is the official e-mail for UNC students and how you will be contacted for any information concerning your classes, status, changes in scheduling, etc. Your BearMail email information is provided with your admission information, however it will be your first four characters of your last name and 4 random chosen numbers (i.e. smit1234 or fox4321). To find out your actual BearMail e-mail address, go to: <http://ursa.unco.edu/> and follow the instructions.

10. Subscribing to the Listserv

The Love2Learn listserv for Extended Studies Students is a message system used to communicate upcoming events such as comprehensive exam dates, emergency notifications, scholarship information and additions to schedules. All Extended Studies Students are strongly encouraged to subscribe as the listserv is a great way to keep abreast of important information about your program! ***Please do not use the listserv for personal communications amongst your classmates as we have hundreds of students at any one time getting these emails. Also, please do not "Reply" to the listserv emails as any response would be directed to every student.*

To subscribe to the LOVE2LEARN listserv:

1. Send a message to: listserv@listserv.unco.edu
2. Leave the subject line blank
3. In the body of the message type: subscribe LOVE2LEARN
4. Remove your email signature if you are using one
5. Send the message
6. You will receive a message that you should print and keep.

To send a message to the LOVE2LEARN listserv:

1. Send a message to LOVE2LEARN@listserv.unco.edu
2. Type a subject in the subject line
3. Type your message
4. Send the message

Please "signoff/unsubscribe" when the course/program is over.

To signoff from the LOVE2LEARN Listserv:

1. Send a message to: listserv@listserv.unco.edu
2. Leave the subject line blank
3. In the body of the message type: signoff LOVE2LEARN
4. Remove your signature if you are using one
5. Send the message

11. UNC Library Usage

If your assignments require library services to which you do not have access locally, contact the UNC Michener Library at 970-351-2562 for assistance or visit <http://library.unco.edu/services/distance.htm>. Special access is provided for individuals living more than 50 miles from UNC. Your syllabus/study guide may have more specific information concerning use of the library, items on reserve, reference resources, etc.

Students who live within the 50-mile radius are expected to visit the UNC Michener Library in person. To borrow materials from the Michener Library in person, bring positive identification and your bear number or confirmation/receipt from registration for an independent study course.

You are also encouraged to use your local area libraries as a primary resource. When there is a choice, an academic library is more likely to have the indexes and other resources you will need for college-level research. Because many libraries provide remote access, you can search various library databases at your own convenience if you have access via the Internet. You can also search library databases from the UNC Libraries website and get online access to many journal articles. Start at <http://libguides.unco.edu/offcampus>.

If the materials you need are not available through your local area libraries or if you need additional assistance, contact the UNC Michener Library. When placing requests, please remember to include the complete citation information. **You can check the UNC Libraries online catalog at <http://source.unco.edu> to find out if the materials you need are available at Michener Library.** If they aren't, library personnel will order them from another library for your use.

You may request materials 24/7 by

- Online: <http://www.unco.edu/library/forms/distancerequest.htm>
- E-mail: library.ocp@unco.edu
- Fax: 970-351-2540

12. Printing

Students taking classes at Centerra, Lowry, or the Greeley campus can use the Pharos printing system to print in the computer labs. Once you click the print button you will be prompted to enter your user ID and password (the same ID and password you use to login to Ursa). The charges for printing will be applied to your student bill. At some locations, you can use the scanner and print system to copy papers or information for class.

13. Accessing Online Classes or Blackboard Supplement

ACCESS your online/Blackboard course by using a browser and typing in the following URL: <http://unco.blackboard.com> (***You will not be able to access your course until the first day of class. If you have registered for the class within the past 24 hours you may need to wait for the system to update and grant you access**).

- USERNAME: The first 8 characters (everything before the @ symbol) of your UNC generated BearMail address. (see #9)
- PASSWORD: The same password you use to access URSA and your BearMail account
- The e-mail address that is integrated into the Blackboard system will be your university-generated BearMail address.

Please consider logging onto the UNC Blackboard Help site for more assistance with your online course at: <http://www.unco.edu/blackboard/> and click on *Student Support*. There are tutorials that will help you better understand online instruction to enhance your learning.

Contact the Technical Support Center at 970-351-4357 or 800-545-2331 for problems or any questions you may have. They are open 24 hours a day, 7 days a week, 365 days a year.

14. Computer Specifications for Using Blackboard (online course elements)

When taking an online course or accessing supplemental course materials through UNC's Blackboard Course System, your computer should meet the following minimum specifications:

	PC	Mac
Hardware		
OS	Windows XP or newer	OS X (10.5 or newer)
Processor	Pentium IV or equivalent	G4 or newer
RAM*	512 MB	512 MB
Video	800x600 or higher resolution	800x600 or higher resolution
Audio	Sound card and speakers	Sound card and speakers
CD/DVD Drive	Access to DVD player preferred	Access to DVD player preferred
Software		
Browser	- Internet Explorer 8 and higher (IE 8 only in Windows XP) - Firefox 3.6 and higher - Chrome (Stable Channel) - <i>Safari not supported for Windows</i>	- Safari 4.0 and higher - Firefox 3.6 and higher - Chrome (Stable Channel) - <i>Internet Explorer not supported for Macs</i>
Word Processor**	Microsoft Word 2003 or above recommended	Microsoft Word 2003 or above recommended
PDFs	Adobe Reader	Adobe Reader
Internet		
Network Card	Ethernet or wireless network card recommended (56k modem minimum if using dail-up)	
Reliable Internet Connection	High Speed (T1, DSL, Cable or Satellite) recommended; Dial-up only if 56k	

* If you have minimal RAM you may want to avoid having many other programs open at the same time you are using Blackboard.

**If you are not using Microsoft Word, we recommend saving documents as .rtf files for compatibility.

Tips:

- Disable pop-up blocker software.
 - Check firewall settings (if applicable) to make sure settings aren't blocking Blackboard or UNC sites. Depending on your access location, this could be on your computer, on a network, or through your ISP.
 - Mail preferences in your chosen e-mail program may need to be set to open "Mail To" commands for certain e-mail links within Blackboard to function properly.
 - You may be asked to download the most current versions of Java, Flash, or Shockwave to support various course or research tasks.
-
- **Anti-virus software:** (Highly recommended for students; Required for instructors. This is for your own protection and the protection of others. Online courses involve much file sharing, which increases your risk of computer virus infection. Anti-virus software will help protect your computer in case of exposure to a computer virus.)
 - **Please contact the instructor concerning specific software or hardware that may be required for his/her course.**
 - To ensure that everything works properly the installation of Java plugin is highly recommended.

1. To load Java plugin: <http://www.java.com/en/download/manual.jsp>
2. Click to Accept the License Agreement.
3. Click Window Offline Installation, Multi-language.
4. Click Run to download.
5. Click Run to install.
6. Follow the prompts to install the Typical Java installation.
7. Restart your computer to complete the installation process.

NOTE: If you are using a **Macintosh**,
<http://www.apple.com/support/downloads/java131and142release2.html>.

Determine Operating System

No matter which browser and operating system you use, we recommend that you download and install the most current version of that browser. Depending on your platform, certain browsers are certified, while others are at least compatible. For updated information on computer requirements use link: <http://help.unco.edu/> and click on the Students folder on left side of the screen. Choose Online Education – Blackboard.

15. Updating Personal Information with UNC

To update your personal information (name, address, etc.), fill out http://www.registrar.unco.edu/pdf/Individual_Data_Change2.pdf and mail it to the address listed on the form.

16. Tuition and Fees

Tuition rates are set each academic year, which begin each Fall semester. For courses offered through the Office of Extended Studies the tuition is a flat per-credit rate for all students in the program. There are no student fees. Certain courses may carry specific course fees for additional services and materials. To find the current tuition rate, go to the Current Programs page at <http://www.unco.edu/extendedstudies/extended/current/Cur-programs.html> and click on your program.

17. Paying my Bill

UNC uses a secure electronic billing (e-billing) system. You will receive notification of an available electronic bill via an e-mail sent to your e-mail (BearMail) address. E-bill notifications will be sent only to the student unless the student has added an authorized payer to their student account and the authorized payer has submitted a valid e-mail address for receipt of e-bill notifications. ***Payment is due ON OR BEFORE the payment due date shown on the electronic bill.*** Failure by you or your authorized payer to check e-bill availability will ***not*** constitute valid grounds for waiving late payment penalties or registration, grade, diploma or transcript holds. You can pay your bill in URSA, by phone, at 970-351-2201, mail or e-mail at <mailto:bursar@unco.edu>. The Bursar's Office accepts credit cards (Visa, MasterCard, Discover/Other Novus Card) cash or checks. For more detailed information on how to pay a bill, visit the Bursar's webpage at <http://www.unco.edu/acctservices/bursar/index.htm> and check the links on the right-hand side of the page.

Bear Pay

UNC's monthly pay plan allows you to pay your bill in easy monthly installments rather than in one lump sum. You can apply for Bear Pay once charges are placed on your account. To apply, log into your Ursa student account at <http://ursa.unco.edu/> then click on the Financial tab and follow the payment plan instructions. There is a nonrefundable application fee of \$50.

18. Checking my Grades

Students may check grades for a current or recent term in Ursa. In the Student tab, grades for a recent semester will show in the Student Grades box by selecting the correct semester. For past semesters, students may click on the Unofficial Transcript link under Important Links and then choose the level (Graduate or Undergraduate) and Submit. This will show all classes taken toward your degree along with grades earned.

19. Requesting Transcripts

Students can obtain Unofficial Transcripts in Ursa as described in the Checking My Grades section. If Official Transcripts are needed, you will need to request them from the Registrar's Office for \$10.00 per transcript. You may order them in person, online, by fax, or mail. For further directions, please go to the Registrar's website at <http://www.unco.edu/regrec/records/transcripts/index.html>.

20. Delinquent Account Status

It is recommended that you stay current on any financial loan payments. However, if you were to become delinquent with your payments, a hold could be placed on your academic records and diploma, collection processing could be started and it could affect your credit score. For more information please go to: <http://www.unco.edu/acctservices/ftp/bursar/crditagr.pdf> or contact the UNC Bursar's Office at 970-351-2201.

21. Students with Disabilities

Any student requesting disability accommodation for a class must inform the instructor giving appropriate notice. Students are encouraged to contact Disability Support Services at (970)351-2289 or www.unco.edu/dss/ to certify documentation of disability and to ensure appropriate accommodations are implemented in a timely manner.

22. Dropping or Withdrawing from a Course

To drop a course, go into Ursa and click on your schedule. Use the drop-down menu next to the class to choose Drop Web. Then click Submit.

If you decide to drop your course, refunds will be dependent upon the date of your request relative to when the class started. Students cannot withdraw after 80% of the class is complete.

Complete and Course Withdrawal Rules

Fall, Spring, and Summer Semesters

Percent of Class Complete	Tuition owed	Refund amount
0-13% (Drop)	0	100% refunded
14-25%	25%	75% refunded
26-50%	50%	50% refunded
51-63%	75%	25% refunded
64% or more	100%	No refund

A dropped course does not appear on your UNC transcript. If you withdraw, however, a mark of "W" will be entered on your student record (transcript) at UNC. The "W" carries no academic penalty, as it does not affect your grade point average.

To withdraw from a course or if you are having trouble dropping a course, please contact Extended Studies Student Services at 970-351-1799.

23. Dropping Out of a Program

If you are dropping out of a program you will need to contact your Program Coordinator, the Graduate School at 970-351-2002, as well as the Registrar's office at 970-351-2231 to drop/withdraw from your registered courses.

If you need to request an exemption to the Continuous Registration policy, you need to meet with your academic advisor to make the request. The form you will need to fill out can be found at <http://www.unco.edu/grad/forms/GS2008.pdf>

24. Applying for Graduation

At the beginning of your last semester of coursework, you will need to apply for graduation with the Graduate School. The application must be complete and signed by both the student and program advisor. You can find specific deadline dates and a Graduation Checklist on the Graduate School's website at <http://www.unco.edu/grad/current/GraduationInformation.html>.

25. Academic Conduct Policy

Honor Code

All members of the UNC community are entrusted with the responsibility to uphold and promote five fundamental values: *Honesty, Trust, Respect, Fairness, and Responsibility*. These core elements foster an atmosphere, inside and outside of the classroom, which serves as a foundation and guides the UNC community's academic, professional, and personal growth. Endorsement of these core elements by students, faculty, staff, administration, and trustees strengthens the integrity and value of our academic climate.

(<http://www.unco.edu/dos/academicIntegrity/index.html>)

Student Code of Conduct

Students and recognized student organizations at the University of Northern Colorado possess certain rights and responsibilities designed to promote a safe and respectful living and learning environment. The University values freedom of expression and the respectful exchange of diverse viewpoints. By choosing to attend the University of Northern Colorado, students agree to uphold standards of conduct that have been developed to guarantee students freedom to learn and to protect the fundamental rights of others. In an effort to foster tolerance, civility, and accountability, the student conduct process aims to serve as a learning experience that can result in growth and personal understanding of one's responsibilities and privileges within both the university community and the greater community. (For the complete Student Code of Conduct, please go to <http://www.unco.edu/dos/pdf/StudentCodeofConduct.pdf>.)

26. Instructor Evaluations

Students will be asked to evaluate the workshop for instructors' knowledge, interest and enthusiasm as well as providing additional information on classes or topics which you would like to see developed as a future offering from UNC. On-site programs evaluate each course

instructor on the last day. Online programs evaluate each course instructor via Blackboard. You will be notified by BearMail.

27. Portable Electronic Devices

For Students in Face-to-Face Courses

Please extend courtesy to your instructor and fellow students by turning off your portable electronic devices such as: cell phones, pagers, and music players. Although not an audio issue, text-messaging is a distraction to other students and prevents you from full participation in class. You should keep your portable electronic devices in your backpack or purse during class. Your personal electronic devices should not be on your desks and instructors may also request that laptop computers are not to be used during lectures. If you know that you may need to accept an emergency phone call during class or if you have children in childcare or school, please let the instructor know. If you need to take a phone call during class, please step out of the classroom to accept your call. Thank you for your cooperation.

28. Financial Aid

Students must be enrolled in a degree seeking program (B.A. or M.A.) or a teacher licensure program to be eligible for financial aid. Students may be eligible for student loans.

For more information on financial aid, contact:
Nancy Gray, Financial Aid Counselor

Office Address: Office of Financial Aid
Carter Hall 1005
Campus Box 33
Greeley, CO 80639-0001

Office Telephone: (970) 351-2502

E-mail: nancy.gray@unco.edu

29. Student Health Insurance

Extended Studies students are not eligible to participate in the UNC Student Health Insurance, will not be charged for the UNC Student Health Insurance, and do not have to fill out the online waiver. However, if you are interested in other student health insurance options and information please visit <http://www.ahpcare.com/uncopt>.

30. UNC Card

Extended Studies will help off campus students obtain a UNC Card. Site coordinators will take pictures of students in the face to face programs at the various Centers and work with the UNC Card Office to get IDs for students. If you have any questions regarding your UNC Card, please call Extended Studies Student Services at 970-351-1799.

Online students will receive a logo card in the mail shortly after beginning a new program. Logo cards may be exchanged for a photo ID free of charge if online students are ever on campus by visiting to the UNC Card office in the University Center. For more information, please visit their website at <http://www.unco.edu/card/>.

31. Parking

Parking at Centerra, Lowry, and Colorado Springs is free to students. However, if you should have to go to the Greeley campus, parking is not free and is closely monitored year round. Signs at parking lot entrances indicate hours of enforcement and types of permit required for that lot. Visitors will need to use the metered spaces and pay the meter. There are also various hourly and daily permit dispensers if you need to remain parked for longer than an hour. For more information about parking on the Greeley campus please visit <http://www.unco.edu/parking/>.

32. Extended Studies UNC Student Responsibilities

For additional UNC policies, please access UNC's website at: www.unco.edu. As an off-campus student taking courses from UNC, you should familiarize yourself with the academic regulations and procedures contained in the current UNC catalog: <http://catalog.unco.edu>.

To view all of our off-campus offerings, please visit the extended studies website: www.unco.edu/extendedstudies.
