Re: Addenda # 1 UNC-RFP-24-04  
College of Medicine Bishop Lehr Design/Build GMP

Please review the following clarifications to the referenced RFP. Acknowledge receipt of this addenda in your submittal.

- The full PDF including the Agreement and General Conditions has been updated on the UNC Planning and Construction website. [Request for Proposal \(unco.edu\)](https://www.unco.edu)
- As a clarification, abatement and demolition of Bishop Lehr Hall will be included in the scope of work under this Design/Build GMP contract. UNC is contracting with a firm to perform a survey of asbestos and other hazardous materials in the building and development of the abatement specification. The survey and abatement specifications will then be provided to the D/B team.
