

University of Northern Colorado

“Adopt – A – Spot” Clean-up Program (AASCUP)

Guidelines & Agreement

Before starting your volunteer activities, make sure to contact Landscaping & Grounds at 351-1263 or call Pat McDonald at 302-7138 (patrick.mcdonald@unco.edu). We will assist you in getting started. Landscaping & Grounds will provide litter caddies, trash bags, and safety vests for all Volunteers. After specific areas have been determined for each volunteer or group of volunteers and arrangements have been confirmed, we will direct you to the appropriate Grounds Staff member, who will be your contact person. We expect that you will keep them informed of your progress. We would also appreciate letting us know of any problems that you might have. We will do our best to rectify the situation. Landscaping & Grounds will post your AASCUP sign at your designated Clean-Up area, with your name, group or organization.

Commitment Agreement

Volunteers agree to cleanup all trash in the designated area, which includes cigarette butts, litter, bottles, etc. Volunteers are expected to provide their own gloves, etc. If there are any special needs we will do our best to accommodate. Please refrain from picking up trash (without gloves) that appears to have blood or other bodily fluids. Contact us for these types of issues, and also report to us any dead animals (birds, squirrels). Please do not touch or handle these items.

Volunteers will provide clean up services in their designated “Adopt-A-Spot” once a month throughout the Academic year, and perhaps on a 12-month basis. In the event you are unable to provide the necessary commitment to your “Adopt-A-Spot”, we would appreciate it if you would notify us as soon as possible.

We understand that by your signature you have agreed to abide by the above guidelines. We also understand that you have made a commitment to perform your duties in a timely fashion and to have as much joy in doing so.
