How to Apply for Recommended Opportunities

- 1. Click on all the yellow '**Apply**' buttons listed to see what the additional required item is. This could be a short yes or no question, or an essay, etc.
- 2. You will need to complete the additional requirement(s) to apply for that scholarship.
 - If the question is not applicable to you, you do not need to complete that additional question. For example, UNC may offer a scholarship that can be awarded to Business Majors that are also part of a Native American Tribe. You will see this scholarship listed on your recommended page if you are a Business Major, the system does not know if you are part of a Native American tribe so the additional question would be to upload your tribal documentation. If you are not part of a Native American Tribe, you would not complete that additional requirement.
- 3. Click on the '**Finish and Submit**' button once you have completed the requested item(s). You have now applied to that scholarship.

You will see the yellow 'Apply' button for all the scholarships you have not completed and the 'View Your Application' link for all the ones that you have completed.
 - Once you submit the additional item(s) for the recommended scholarship, you will receive an email to your student email titled "Application Submission Confirmation". This will let you know that your application for the specific scholarship was submitted.

You have now applied for all the Foundation scholarships that you qualify for at UNC!

Please note: the 'Recommended Opportunities' scholarships are not the only scholarships that you are in the running for. These are only the scholarships that required an additional item to be completed. Most scholarships do not have an additional item to be completed, you will be filtered into these scholarships automatically based on your General Scholarship Application. You will not see these on your Dashboard.

How to Read Your Dashboard

Every time you log back into your general scholarship application after you have applied to all your '**Recommended**' scholarships, you will be directed to your '**Dashboard**' page. This is a central location where you can monitor the status and progress of your various applications in the system. This page is broken down into four key areas based on your needed interactions. Please note that if you do not apply to all your '**Recommended**' scholarships, you will be directed to the '**Recommended Opportunity**' page after logging in until they are all answered. To get to your Dashboard from your '**Recommended**' page, you will have to click on the '**My Applications**' tab on the top left of your screen.

- The four key areas on your Dashboard:
 - <u>Status Box</u>: This is your progress indicator. This section will indicate what you need to complete and what you have already completed. Anything in GREEN is completed; anything in RED is incomplete. These color buttons are clickable boxes.
 - <u>Needs Attention:</u> This section will appear for scholarships that have been applied for, but something has occurred that requires new attention and action from you is needed. For example, if you have a drafted application or a missing Scholarship Gratitude Survey.
 - <u>General Application</u>: This section will display your submitted UNC Scholarship Application.
 - <u>Current:</u> This section will show all the scholarships you have applied for from the '**Recommended Opportunities**' page and/or the scholarships you have received for both the current academic year as well as the upcoming year. Each tile will show the status for that scholarship.

This section will include all the scholarships you have applied for from the '**Recommended Opportunities**' page as well as all the scholarships you have been awarded. You will see a tile for each scholarship. Information in this tile will include the name of scholarship, the application deadline for each scholarship, the most recent application status, and a button at the bottom to either '**View**' or '**Update**' that scholarship.

The scholarships with a 'View' button at the bottom have had the deadline pass. You can still view this scholarship and all the items you submitted but you will no longer have access to update it. The scholarships with an 'Update' button are still open and you have access to edit/submit your application for that scholarship. Depending on the time of year, you may see tiles that belong to scholarships for the current academic year as well as scholarships for the upcoming academic year.

How You Know You Have Been Offered a Scholarship

You will be notified through your student email if you are offered a scholarship. The email will be titled "You have been offered the [name of scholarship] at UNC!". That email will list any additional steps that need to be completed and the requirements needed to receive the award, along with a link to go directly to that specific scholarship application tile.

You can also use the steps outlined previously for how to get into your UNC Scholarship Application '**Dashboard**' again. Once you are logged in to your '**Dashboard**', you will see a green message at the top that states, "You have been offered the [name of scholarship]! Please review the offer to view the details tab and accept or reject the award". You can click on the '**review the offer**' link in that message to accept it. Alternatively, you can click the '**Accept**' button on the scholarship tile in your '**Needs Attention**' section. In addition, your '**Status**' box section will show you now have a button for '**Offers Accepted/Declined**' with red writing, meaning you have outstanding items.

Scholarship Gratitude Survey

Every UNC Foundation Scholarship will require the Scholarship Gratitude Survey.

- 1. The survey consists of four questions, answer each one by typing directly into the textbox on the webpage.
 - Make sure that each question is answered thoroughly and thoughtfully. If one or more responses are incomplete or insufficient, your Survey will be rejected. You will receive an email to your student email account to let you know which response(s) needs to be updated before your Survey can be approved.
 - If you have been offered, or anticipate being offered multiple scholarships, please do not use the specific name of a scholarship in any of your responses. Your Survey has a 'Smart Autofill' function and will automatically copy any prompt responses that have been submitted to other scholarship(s) for you. You will not need to update the responses, assuming that it is still appropriate for the new scholarship; however, you will need to make sure to still click the 'Finish and Submit' button, even for the autofilled Survey.
- 2. Click on the yellow 'Finish and Submit' button at the bottom of the page.
 - You will receive an email to your student email account titled "Application Submission Confirmation" to confirm you have submitted your Survey.

Searching Additional Scholarships

Use the **'Opportunities'** tab in the top left of your tool bar. The **'Opportunities**' page allows you to locate recommended **'Apply-To'** scholarships, as well as browsing other scholarships within the system. Simply clicking on the **'Opportunities'** button will take you immediately to your **'Recommended'** list, where you can begin applying for additional **'Apply-To'** scholarships.

If you would like to view additional scholarships, such as those for which you may be already automatically under consideration, hovering over the **'Opportunities'** button will allow you to select the **'Ours'** list. This will list all the scholarships in the system, which you can click on to read the description. Many of these will not give you an **'Apply'** button as there is nothing else you would need to do other than your general application to be considered for them.

On the **'Recommended'** and **'Our'** list pages, you can click **'Search by Keyword'** to search through available scholarship opportunities based on the qualification criteria established for each scholarship.

Keep in mind that you do not have to search for all scholarships to apply to them; by completing your General Scholarship Application, you have already applied to all the 'Automatch' scholarships and your 'Recommended Opportunities' page lists the scholarships that need an additional item completed. Your general scholarship submission did the work for you. This search page is simply a way for you to view comprehensively what is available at UNC.

Tips and Reminders

- 1. UNC Scholarship Application opens every November 1st.
- 2. Complete your scholarship application every year by February 1st to be considered for the maximum number of scholarships.
- 3. Keep an eye out for green messages at the top of your Dashboard and review any red items in your status box.
- 4. You do not have to search for and apply to each scholarship separately. Your General Scholarship Application and your Recommend Opportunities does all of this already.
- 5. A Scholarship Gratitude Survey is required for each scholarship. The scholarship will not disburse until the Survey is completed and approved.
- 6. Once you submit your Survey, your URSA will still show it as a missing requirement until the Office of Financial Aid reviews and approves your Survey. When your Survey is approved, the requirement will be completed at the same time.
- 7. If you have any questions, call: 970-351-4862 (option #1) or email the Office of Financial Aid at OFA.Scholarships@unco.edu
