*Starred courses may be used to satisfy the requirement in this area and the requirement for the subgroup of Basic Core Courses indicated in brackets.

Special Notes:

- Up to nine semester credit hours of the courses listed above that can be used to satisfy the requirements of a student's first major and that carry the prefix of that major may also be used to satisfy the requirements of the LAC.
- Any course listed above that can be used to satisfy the requirements of a student's first major but that does not carry the prefix of that major may also be used to satisfy the requirements of the LAC.
- Any course listed above that can be used to satisfy the requirements of a student's minor or second major may also be used to satisfy the requirements of the LAC.
- No course taken before the time it appears as a LAC course in the Catalog may be used to satisfy the requirements of the LAC.

Exceptions to the Requirements of the Liberal Arts Core:

- Transfer students who have completed equivalent programs as determined by the Admissions Office may be exempted from all or part of the requirements of the Liberal Arts Core.
- A student who has earned a liberal-arts based Associate of Arts or Associate of Science degree or who has completed an equivalent program as determined by the UNC Admissions office will receive credit for such work and be excused from areas 1-8 of the requirements.
- If a student presents an ACT score of 30 or higher in English, or an SAT verbal score of 630 or higher, he or she is exempt from ENG 122.
- If a student presents an ACT score of 26 or higher in mathematics, or an SAT math score of 560 or higher, he or she is exempt from the Area 2 requirement.
- Students interested in challenging a Liberal Arts Core course should contact the appropriate program to determine the availability of a challenge examination.

Guaranteed Transferability:

Courses bearing the gtP designation have been approved by the Colorado Commission on Higher Education (CCHE) for inclusion in the Colorado Guaranteed Transfer Program. These courses will automatically transfer to any Colorado public institution and continue to count toward general education or other graduation requirements for any liberal arts or science associate or bachelor's degree program, if you receive a grade of 'C' or better. Statewide articulation agreements prescribe specific general education and degree requirements in the following professional degree programs: business, early childhood, elementary education, engineering and nursing. Most of the other courses, not approved for the gtP designation, will also be accepted in the transfer by other institutions, but they may not fulfill general education or degree requirements.
