

Graduate School and International Admissions

Graduate Degree Programs

Listed below are graduate degree majors offered by the University of Northern Colorado, by level, type, and major. All of these are offered on the UNC main campus in Greeley unless otherwise stated.

Circle the specific degree type (e.g. Masters of Arts) and the major (e.g. Educational Technology) for which you are applying. Print the major information on the line on page 3 in your application booklet.

If applying for an off-campus degree, consult the list of current options available. Call 970-351-2885 or 800-232-1749 or go to www.unco.edu/grad for more information.

Sport & Exercise Science: Sport Administration
Sport & Exercise Science: Sport Pedagogy

Doctor of Psychology (Psy.D.)

Counseling Psychology

Degree List Notes

¹Graduate Interdisciplinary Degree Program applications require a special admissions process and longer time to review for admission. Contact the Graduate School for details and advising.

²Graduate Interdisciplinary Program: Education is currently an experimental program, not open to general admission. Please call Graduate School for further information.

³Applicants in Music degrees must list not only the degree level and title, but must also list performance area(s)/ instruments to expedite admission processing.

UNC also offers Graduate Certificates in Gerontology, Family Nurse Practitioner, and Orientation and Mobility. List in place of degree program if you are interested or phone the graduate program coordinator for more information.
