NORTHERN COLORADO

Student Activities – Greek Life

Hazing Regulations

The University of Northern Colorado prohibits recognized fraternities, sororities, athletic teams, other recognized student organizations, persons or groups using University facilities, and individuals who are members of any such groups or organizations or who attend events or activities sponsored, organized or supported in any way by those organizations, from hazing members, prospective members, or other persons seeking to obtain benefits for services from any of those organizations.

Hazing is defined as an act which endangers the mental or physical health or safety of a student, or which destroys or removes public or private property, for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in, a group or organization. *The express or implied consent of the victim will not be a defense.* Apathy or acquiescence in the presence of hazing are not neutral acts; they are violations of this rule. Recognized student organizations have an obligation to protect the welfare of their prospective and initiated members, guests, and the University during initiation activities.

Violation of this regulation shall subject a group or individual to the full range of disciplinary sanctions pursuant to University disciplinary processes and/or debarment from use of University facilities. The Interfraternity Council, Panhellenic Council, and other recognized student governance bodies with jurisdiction over recognized student organizations may establish self-regulation procedures with respect to complaints of violations of this regulation brought against their members. Such processes shall be in addition to University disciplinary processes.

A recognized National/International fraternity or sorority must also comply and adhere to all National Interfraternity Conference and National Panhellenic Conference resolutions on hazing. In addition, all prospective and initiated members must comply and adhere to regulations from their respective national/international organization, the Interfraternity Council and the Panhellenic Council. Each fraternity and sorority must submit their national/international organization's hazing policy to the Greek Affairs/Life Office.

I agree to abide by the University of Northern Colorado's policy on Hazing as presented in this document and as stated in the Student Rights and Responsibilities Handbook.

I agree to release my individual grade point average to the Student Activities Office throughout my tenure as an undergraduate Greek member. I understand that my individual grade point average will be only used for statistical purposes of compiling and reporting chapter averages.
