YOUR SCHOOL NEIGHBORHOOD: THEN AND NOW

Tina Loos,
East Memorial Elementary School, Greeley

OBJECTIVES

The purpose of this activity is to have students document how the neighborhood in which their school is located has changed over time.

STANDARDS

- History Standard 2: Students know how to use the processes and resources of historical inquiry.
- History Standard 3: Students understand that societies are diverse and have changed over time.
- Geography Standard 4: Students understand how economic, political, cultural, and social processes interact to shape patterns of human populations, interdependence, cooperation, and conflict.

OBJECTIVES

After completing this lesson, students will be able to:

- Conduct an interview of a long-time resident of the neighborhood.
- Describe how the neighborhood has changed over time.
- Identify and photograph the most historic sites in the neighborhood.
- Preserve photographs of the oldest buildings and houses in the neighborhood.

INQUIRY QUESTIONS

- How has your school neighborhood changed over time?
- Which are the oldest buildings or houses in the neighborhood?
- How can you preserve an historical record of these sites?
PROCEDURE

1. Obtain a (digital) camera.

2. Take students on a walking tour of the neighborhood around your school. Have them observe and make notes about landmarks (big trees, lakes, etc.). Make photographs of the oldest buildings and houses.

3. Invite a long-time resident of the neighborhood to class to talk about changes over time.

4. Have students create a map on which they use their photographs and notes to draw the landmarks and oldest buildings and houses.

5. Save the photos by making a classroom archive on your computer. If you did not use a digital camera to take the photographs, you may scan them into the computer.
