Sore throat? Think you sprained your ankle? We can help.

The UNC Student Health Center is now able to provide healthcare for minor illness or injury to UNC faculty and staff. While not intended to replace your primary care physician or to treat work-related injuries, the UNC Student Health Center can help you access care for a variety of minor health issues including:

- Upper Respiratory infections
- Sinus infections/congestion
- Cough
- Ear Infections
- Eye infections
- Fever
- Sore throat
- Urinary tract infections
- Muscle & joint injuries

**We can bill all UNC
employee health plans
except for
Anthem BCBS HMO.**
