Essay Questions

Please type your responses to each question on a separate piece of paper. All responses should be between 250 and 500 words.

1. Leadership comes in all shapes and sizes. We do not believe that there is a “cookie-cutter” way to develop a leader. Because all leaders are unique, in what way are you a leader and how do you want to grow as a leader?
2. Part of leadership is the ability to draw lessons from experience. Relate a “personal best” story from a pertinent time in your life in which you demonstrated strong leadership skills. Describe the event. How did this event affect your family, friends, school, and community?
3. As a student in PLP you have the chance to grow in a variety of different areas, both personal and academic. To make the most of your time in the program, you must be committed to the mission and goals that we strive to uphold. Why are you interested in the program, and what do you hope to gain from your experience?
