Abstract:

This collection consists of seven original 16mm films of 1969-1971 Colorado State College/ University of Northern Colorado football games as well as copies that were transferred onto miniDvs and DVDs. Some of the films are of complete games and some of partial games.

While Charles F. Putnik was a student at the school and a member of the football team, the name changed from Colorado State College (Senate Bill 14 approved February 11, 1957) to the University of Northern Colorado (Senate Bill 13 approved April 14, 1970; effective May 1, 1970.). Therefore, the games played in 1969 were for Colorado State College, while those for 1970-1971 were for the University of Northern Colorado.

Historical Note:

In April 2006 the Archival Services Department at the University of Northern Colorado Libraries was contacted by Charles F. Putnik about old football films. Charles Putnik was a member of the 1969-1971 football team. He along with former football players were looking for films of the football team to create a copy of the films in a newer format. Although we checked the films in the Archives Stacks, we could not find any old football films. We did indicate to Mr. Putnik that we would like to have any films that he might be able to find and restore.

In an email message dated 2006 July 18 from Charles F. Putnik to Shirley Soenksen, he mentioned that the original films were cleaned, repaired and transferred from 7 inch reels to 12 inch reels to reduce stress on the films and increase the storage life of the films. He then had the original films remastered and transferred to miniDV storage tapes and DVDs.
