Mission Statement

The mission of Native American Student Services (NASS) is to ensure a successful educational experience at the University of Northern Colorado for Native American students by providing advocacy and support services in the areas of:

- Recruitment
- Retention
- Graduation
- Collaborative outreach

The center:

- Embraces and encourages a supportive environment based on the traditions and cultures of all Native American peoples
- Serves as a bridge to the larger campus community through its academic and cultural programming

“NASS provides me with a good place to study and I’ve met some of my best friends here. I’m able to be around other Native Americans so I learn more about not only my culture, but other cultures as well.”

**Zac Haddox, pre-business major
Class of 2011**
