

Course Substitution Information for Students Changing Their Major to Biology

Course taken in previous major or at a previous institution

How does the course apply to degree program if changing to Biology Major at UNC

UNC BIO 101 Biological Perspectives*
(4 semester credits with lab)

If BIO 101 was taken at UNC with a grade of C or better, or an equivalent course was taken at another 4 year institution with a grade of C or better, or if an equivalent course was taken at a 2 year institution with a grade of B or better, BIO 110 will be waived.

UNC BIO 245&246 (200 level)*
(at least 7 semester credits total
with 2 labs)

If BIO 245 & 246 were taken at UNC with a grade of C or better or equivalent courses were taken at another 4 year institution with a grade of C or better, or equivalent courses were taken at a 2 year institution with a grade of B or better, BIO 341 and BIO 350 will be waived.

Human Anatomy (200 level)
(at least 3 semester credits
with lab)

If the course was taken at another 4 year institution with a grade of C or better, or a 2 year institution with a grade of B or better, BIO 341 will be waived.

Human Physiology (200 level)
(at least 4 semester credits
with lab)

If the course was taken at another 4 year institution with a grade of C or better, or a 2 year institution with a grade of B or better, BIO 350 will be waived.

Plant Physiology (200 level)
(at least 4 semester credits
with lab)

If the course was taken at another 4 year institution with a grade of C or better, or a 2 year institution with a grade of B or better, BIO 354 will be waived.

Microbiology (200 level)
(at least 4 semester credits
with lab)

If the course was taken at another 4 year institution with a grade of C or better, or a 2 year institution with a grade of B or better, BIO 351 will be waived.

Ecology (200 level)
(at least 4 semester credits
with lab)

If the course was taken at another 4 year institution with a grade of C or better, or a 2 year institution with a grade of B or better, BIO 360 will be waived.

***These courses will not count toward the degree program if taken by students that are current Biology majors at UNC**
