

Rotation of classes in the Department of Mathematical Sciences

PLEASE NOTE: Classes not listed but required for any of our emphases will run every semester.

Math	321	every fall
	322	every spring
	335	every fall
	336	every even-numbered spring, and Spring 2009
	342	every fall
	351	every spring
	375	every odd-numbered spring
	391	every fall
	395	every fall
	431	every even numbered fall
	432	every odd numbered spring
	437	every fall
	460/560	every even numbered spring
	464	both semesters academic year 02-03 and then every spring
	495	every odd numbered fall
CS	102	every spring
CS	200	every fall
CS	301	every even numbered spring
MED	341	every spring
Stat	406	every even numbered fall
	409	every odd numbered fall

See the reverse side for this information in chart form.
