The UNC School of Nursing offers an excellent, well-respected program that is accredited by the Commission on Collegiate Nursing Education and the Colorado State Board of Nursing.

A D M I S S I O N  P R O C E S S &  C R I T E R I A

1. Apply and be accepted to UNC.
2. Potential for completion of all required prerequisite courses by end of Spring Semester of application year.
3. Submit School of Nursing application in January. (Applications are available on the website by early November.) Selection is based on GPA, and additional criteria.

S c r e e n i n g  C r i t e r i a:
- Completion and verification of Certified Nursing Assistant (CNA) course. Course must be completed prior to School of Nursing application deadline. If admitted, proof of certification will be due mid-April.
- GPA will be calculated using the most recent 45 semester hours of coursework and GPA from all of the completed nursing prerequisite courses except BIO 110. (NOTE: Grades from remedial or technical courses such as CNA, EMT etc. will not be included. High school Advanced Placement scores are not factored into GPA.)
- A grade of “C” or higher is required in each of the prerequisite courses (or course equivalent). “C-” is not acceptable.
- A 3.0 GPA or higher is required within your most recent 45 credits.
- For 2017 applicants, admissions will be determined based upon GPA, standardized letters of recommendation, and personal essay.
- For 2018 applicants, additional criteria will be considered.

*Criteria are subject to change
**If not accepted into the nursing program, a student may reapply the following year. There is no waitlist.
