

**UNIVERSITY OF NORTHERN COLORADO
VACANCY ANNOUNCEMENT**

Position Title: Assistant Professor, Animal Biology

Position # F99890

Job Summary:

Assistant Professor, tenure track, 9 month appointment. The job duties include teaching undergraduate and graduate courses in Biology, training graduate students, providing service for the school, college, university, and community, conducting research, publishing original research, and applying for grants. We seek a candidate with a Doctorate and expertise in animal biology. The candidate must have the ability to teach lectures and laboratories for undergraduate students and graduate students in animal biology and related areas, and the ability to direct undergraduate and graduate students in animal biology research. The individual will be expected to solicit external funding to support an active research program and contribute to service duties.

Minimum Qualifications:

- Doctorate in Biology or related field.
- Commitment to excellence in teaching
- Evidence of potential for excellence in teaching
- Demonstrated research and publication record
- Minimum 2 years of research experience past the doctorate
- Potential or past success securing external funding
- Ability to teach the animal half of the undergraduate Survey of Organismal Biology course

Preferred Qualifications:

- Teaching experience at the university level
- Experience in supervising research students
- Ability to teach other animal organismal biology courses such as Ornithology, Entomology, Invertebrate Biology, Ethology, Limnology, Marine Biology, Ichthyology, Physiological Ecology, etc.

Salary and Benefits:

Salary is commensurate with qualifications and experience. Benefits available include health, life, and dental insurance, as well as a selection of several defined contribution retirement programs. Dependents and spouses of UNC employees who are employed as 0.5 FTE or above are entitled to and eligible for Dependent Tuition Grants. These tuition grants will cover in-state tuition charges. Further requirements may exist. Other benefits may be available based on position. Opportunities for summer instruction may be available.

Requested Start Date:

August 16, 2010

Application Materials, Contact, and Application Deadline:

Screening of applications will begin on January 10, 2010 and will continue until the position is filled. Interested persons should apply online at <https://careers.unco.edu> and select "View/Apply for Faculty

Positions” then choose “Assistant Professor – Animal Biology.” Application documents to be submitted online are a letter of application/cover letter, a *curriculum vitae*, and the names and contact information of at least five references. In addition to the material provided online, please send unofficial or official copies of all undergraduate and graduate school transcripts, a statement of research interests, a statement of teaching philosophy, a list of courses you would like to teach, and copies of a minimum of two published original research articles to: Cynthia Mondragon, School of Biological Sciences, Ross Hall, Box 92, University of Northern Colorado, Greeley, CO 80639. Tel: 970-351-2921. email: cynthia.mondragon@unco.edu. For questions, contact the chair of the search committee at stephen.mackessy@unco.edu.

Additional Requirements:

Satisfactory completion of a background check, educational check, and authorization to work in the United States is required after a conditional offer of employment has been made. Original transcripts must be submitted at least one (1) month before the start date.

Location and Environment:

The University of Northern Colorado is a Doctoral/Research University enrolling 12,000+ graduate and undergraduate students. The university, founded in 1889, is located in Greeley, Colorado, which has a growing population of 80,000 and is situated an hour north of Denver and 30 miles east of the Rocky Mountains. Further information about UNC and the City of Greeley is available at <http://www.unco.edu>.

Additional Information:

This position is contingent on funding from the Colorado State Legislature, approval by the Board of Trustees, and subject to the policies and regulations of the University of Northern Colorado. Federal regulations require that the University retain all documents submitted by applicants. Materials will not be returned or copied for applicants.

The University of Northern Colorado is an equal opportunity/affirmative action institution that does not discriminate on the basis of race, color, national origin, sex, age, disability, creed, religion, sexual orientation or veteran status. For more information or issues of equity or fairness or claims of discrimination contact the UNC AA/EEO/Title IX Officer at UNC Human Resource Services, Campus Box 54, Carter Hall 2002, Greeley, CO 80639, or call 970-351-2718.
