

UNIVERSITY OF NORTHERN COLORADO

VACANCY ANNOUNCEMENT

Position Title: Assistant Professor of Physics, tenure-track **Position Number:** F 99642

Qualifications and Experience:

Minimum Requirements and Position Description

A Ph.D. in Physics. The candidate must be able to teach the core courses in a standard undergraduate physics curriculum and also science courses for non-science and teaching majors. Demonstrated excellence in teaching and the ability to supervise research projects in areas accessible to upper-level undergraduate students are also requirements.

Preferred Requirements

The ability to teach introductory astronomy courses is desirable and expertise in experimental research areas is preferred.

Salary and Benefits:

Salary is commensurate with qualifications and experience. Benefits may include health, life, and dental insurance, as well as a selection of several defined contribution retirement programs. Other benefits may be available based on position.

Requested Start Date: August 18, 2008

Application Materials, Contact, and Application Deadline:

Applications will be considered starting November 30, 2007 and will be accepted until the position is filled. Candidates should submit a curriculum vitae, a statement of teaching philosophy, research interests, official graduate transcripts and three letters of recommendation to: **Dr. Robert Walch, Physics Department, University of Northern Colorado, Greeley, CO 80639.**

Qualified candidates should complete and submit the Faculty Voluntary Demographic and Acknowledgement form located at <http://www.unco.edu/hr/forms/HRS%20Forms/FacultyEmploymentAcknowledgement.doc> or the Human Resource Services Office-Carter Hall Room 2002.

Additional Requirements:

Satisfactory completion of a background check, educational check, and authorization to work in the United States is required after a conditional offer of employment has been made. Original transcripts demonstrating receipt of the required degree must be submitted within one (1) month of hire.

Location and Environment:

The University of Northern Colorado is a research intensive institution enrolling 12,000+ graduate and undergraduate students. The university, founded in 1889, is located in Greeley, Colorado, which has a growing population of 80,000 and is situated an hour north of Denver and 25 miles east of the Rocky Mountains. Further information about UNC and the City of Greeley is available at <http://www.unco.edu>.

Additional Information:

This position is contingent on funding from the Colorado State Legislature, approval by the Board of Trustees, and subject to the policies and regulations of the University of Northern Colorado. Federal regulations require that the University retain all documents submitted by applicants. Materials will not be returned or copied for applicants.

The University of Northern Colorado is an equal opportunity/affirmative action institution that does not discriminate on the basis of race, color, national origin, sex, age, disability, creed, religion, sexual orientation or veteran status. For more information or issues of equity or fairness or claims of

discrimination contact the UNC AA/EEO/Title IX Officer at UNC Human Resource Services, Campus Box 54, Carter Hall 2002, Greeley, CO 80639, or call 970-351-2718.
