

UNIVERSITY of
NORTHERN COLORADO

Office of the President

To: Abe Harraf, Provost
From: Kay Norton, President *KN*
Subject: Your memorandum of May 18, 2010
Reorganization of Selected Schools
Date: May 28, 2010

Thank you for your memo of May 18, 2010, and the accompanying background documents. Many thanks as well to your Deans and faculty members who have invested a great deal of thought and attention to reorganization of some parts of our academic structure. As I stated in my memo of November 18, 2008 in response to the work of the PPC subcommittee, elements of our structure had become a distraction from our mutual goals, which we can ill avoid to perpetuate when faced with the challenges which have arisen since then.

I hereby approve the changes proposed in your May 18, 2010 summary to be effective July 1, 2010.
