TEACHING EXPERIENCE

University of Maryland Department of Sociology, College Park, MD
Summer 2007

- “Introduction to Contemporary Social Problems,” Sociology 105. Designed syllabus; planned lectures, class exercises, and field trip; and evaluated student performance.

GWU School of Public Health and Health Services, Washington, DC
Summers 2003, 2004

- “Welfare and Health Policy,” Public Health 290.20 Seminar offered as part of Master of Public Health curriculum. With Dr. Peter Shin, created course; designed and revised syllabus; planned lectures, class exercise, and guest speakers; and evaluated student performance.

RESEARCH EXPERIENCE

Graduate Assistant, University of Maryland Department of Sociology; Maryland Population Research Center, College Park, MD

August 2003 - May 2009

- Assisted Dr. John Iceland on studies of residential segregation in metropolitan America as part of work funded by the National Institutes of Health and U.S. Census Bureau. Analyzed data, reviewed literature, and co-authored papers and presentations.
- Assisted Dr. Joan R. Kahn on survey examining aging, stress, and health over the life course funded by the National Institutes of Health. Analyzed data, reviewed literature, and prepared presentations.

Intern, United States Census Bureau, Washington, DC

Summer 2004, 2005

- Selected as participant in Demographic Directorate Summer Internship Program in the Immigration Statistics Staff. Reviewed, analyzed, and presented highlights on data on the foreign born from the American Community Survey.

Senior Research Associate, GWU Department of Health Policy, Washington DC

January 2001 - August 2003

- Managed multi-site study and co-authored report examining implementation of Breast and Cervical Cancer Prevention and Treatment Act for the Centers for Disease Control and Prevention and the Centers for Medicare and Medicaid Services.
- Conducted and analyzed focus groups in English and Spanish about emergency care utilization in urban areas for Robert Wood Johnson Foundation's Urgent Matters project.
- Conducted interviews with state officials, completed detailed state profiles and data tables, presented findings, and co-authored issue briefs for a study of state Medicaid expansion efforts for the Henry J. Kaiser Family Foundation.
