Hazing Regulations

Hazing is any action or activity, whether conducted on or off University property, which is designed to, or has the reasonably foreseeable effect of humiliating, denigrating, offending, physically or mentally abusing, or exposing to danger a person as a condition, directly or indirectly, of the person's consideration or, continuation in, admission to membership in, participation in activities of, receipt of benefits or services from, an organization or group. No person may consent to participation in hazing activities. Further, a person's consent shall not release or minimize an organization's or person's liability to discipline due to violation of this regulation.

Hazing activities include, but are not limited to the following activities: whipping; beating; paddling; branding; calisthenics; running; exposure to the elements; forced consumption of food, liquor, or drugs (legal or illegal), or any other substances; sleep deprivation; forced exclusion from social contact; conduct which could result in any form of embarrassment; nudity; coerced sexual harassment; kidnapping; or car drops, when conducted in a prohibited manner as defined above.

Violation of this regulation shall subject a group or individual to the full range of disciplinary sanctions pursuant to University disciplinary processes and/or debarment from use of University facilities. The Interfraternity Council, Panhellenic Council, and other recognized student governance bodies with jurisdiction over recognized student organizations may establish self-regulation procedures with respect to complaints of violations of this regulation brought against their members. Such processes shall be independent of University disciplinary processes.

A recognized National/International fraternity or sorority must also comply and adhere to all National Interfraternity Conference and National Panhellenic Conference resolutions on hazing. In addition, all prospective and initiated members must comply and adhere to regulations from their respective national/international organization, the Interfraternity Council and the Panhellenic Council. Each fraternity and sorority must submit their national/international organization's hazing policy to the Greek Affairs/Life Office.

I agree to abide by the University of Northern Colorado's policy on Hazing as presented in this document and as stated in the Student Rights and Responsibilities Handbook.

I agree to release my individual grade point average to the Student Activities Office throughout my tenure as an undergraduate Greek member. I understand that my individual grade point average will be only used for statistical purposes of compiling and reporting chapter averages.
