VISITING CONFERENCE/CAMP DIRECTORS

Agenda/Schedule

The Conference/Camp Director must submit a finalized schedule of events and list of contacts for each conference to Conference Services at the pre-conference meeting. The document should detail the daily agenda, including meeting places and times, activities, meal times, etc.

Billing and Deposit

The Conference/Camp Director is responsible for a 10% deposit for all non-UNC conferences at the time of contract. The final invoice for the conference, which includes all charges associated with the conference, will be sent to the Conference/Camp Director following the conference departure. Full payment is due to the University of Northern Colorado within thirty days of the billing date. Conference Services will not individually bill participants for any reason.

CONFERENCE PARTICIPANTS

A complete final roster of all participants must be received by the Office of Conference Services 14 days prior to the conference start date. This roster must be submitted in the proper excel spread sheet that is provided by Conference Services and must be submitted electronically. The University requires that every participant on campus be accounted for while participating at campus held activities.

For conference groups using meal plans, conference cards will be assigned at check-in for all pre-confirmed staff and participants. Additional cards may be requested through the Residence Life Staff Member available at check-in and must be assigned accordingly.

If the card is lost, there is a non-refundable \$10.00 charge and a new card will be issued. Lost cards should be reported immediately to the front desk staff and the Conference Coordinator.

CONTACT PERSON

Throughout the conference, the designated Conference/Camp Director must be available to serve as the primary conference representative and interact with the Conference Service staff. The staff and this person should exchange contact information, so each will know whom to contact with questions and problems. In this way, all aspects of the conference from housing to dining, facilities and more may be controlled professionally and efficiently. The Conference Director assumes responsibility for guests while on campus and must be present at check-in, provide all necessary documents, and be able to address any conference related problems.

ESTIMATES AND GUARANTEES

A guarantee due date for residential and dining participant numbers is specified to be 14 days prior to the camp/conference start date.

- There will be a \$25.00 fee assessed for all late guarantees.

The guarantee indicates the number of participants who have registered for the conference and are expected to attend. It will be used to formulate floor plans and staff schedules and is the minimum billable amount for the conference.

Though we will make efforts to accommodate walk-up registrants, due to space restrictions, we cannot guarantee housing on campus to non-guaranteed participants. The conference will be charged \$15 per person over (or under) the guarantee number in addition to the package rate. The conference will be billed according to the guaranteed or actual number of participants, whichever is greater.

CELL PHONE NUMBERS

Each Conference Service Coordinator is assigned a cell phone. A business card with the cell phone numbers will be given to the Conference/Camp Director and/or designated contact person for emergencies. The numbers are NOT to be given to conference participants or guests. Situations or questions of a non-emergency nature should be directed to the Conference Services Office at 970-351-1100.

PRE-CONFERENCE MEETING

A Pre-Conference Meeting will be scheduled approximately one month prior to the date of the conference. In attendance will be the Conference Service Staff, Conference/Camp Director from the attending conference, Residence Life Staff, Housing Representative, and when appropriate, a Facility Manager, Dining Staff Member, Recreation Center Representative, and Event Planner. RECREATIONAL FACILITIES

This information serves as a reference for camp and conference organizers who are considering or have made formal arrangements for their summer adult and/or youth programs through the U.N.C. Conference Services Office. Normal contracts for summer camps and conferences include limited drop-in use of the Campus Recreation Center as part of the general contract. If you are unsure of your contract status related to use of the Campus Recreation Center you can contact the Conference Services Office at 351-1100 or 351-2010. Please note that certain restrictions apply to youth groups, and these are detailed in the sections below. If you have questions regarding these restrictions please contact the Campus Recreation Assistant Director of Operations, Scott Schuttenberg, at (970) 351-2067.

General Information: The Campus Recreation Center is a 90,000 square foot facility which is located adjacent to the Butler-Hancock gymnasium, and connects directly to the Butler-Hancock swimming pool. The Campus Recreation Center contains the following spaces: a one court auxiliary gymnasium, a two court gymnasium, a three court gymnasium with suspended running track, a weight and cardiovascular training room, three racquetball/wallyball courts, a rock climbing room, two group fitness/multipurpose rooms, locker rooms and administrative offices. Basic information about the Campus Recreation Center programs and operating guidelines may be found in the current Campus Recreation Center brochure or by visiting www.unco.edu/campusrec .

Camps & Conferences for Youth Groups: These groups have access to the Recreation Center gymnasium spaces, the swimming pool, racquetball courts, track, and locker rooms during normal hours of operation. Use of weights and cardiovascular training equipment is not permitted. Use of other spaces may be arranged in advance through the Facility Rental program, see Facility Rentals & Reservations, below. All youth participants (under 18 years) coming to the Recreation Center must be accompanied by an adult supervisor from the camp/conference staff. The ratio required is twelve children to one supervisor. The adult supervisors will check in their groups at the entry desk of the Recreation Center upon arrival and remain with the group in each activity area. Please note: If the participants and staff in your group are not issued identification badges, a list of participants should be faxed to the Campus Recreation Office, attention: Scott Schuttenberg, 970-351-1076, in advance. The supervisor for the youth group is responsible for the safety of the group at all times. All disciplinary problems should be handled immediately and effectively by the group's supervisor in cooperation with the Recreation Center Staff. For clarification of Campus Recreation Center policies please refer to the Campus Recreation Center Supervisor or Full-time Staff member on duty.

Adult Camps & Conferences: To gain admittance to the Recreation Center, each participant will check in at the entry desk and show his/her identification badge. If the participants are not issued ID's by the organizers, they may check in at the Recreation Center entry desk by giving their name and the title of the group to the entry desk staff. In this case the group's organizers will prepare a list of participants that will be mailed or faxed to the Campus Recreation Department (attention: Scott Schuttenberg, 970-351-1076) in advance of the group's arrival to Campus. This list will be kept at the Campus Recreation Center entry desk to assist participants with check in. Adult patrons are permitted in gyms, pool, locker rooms, racquetball courts, weight training and cardiovascular training areas. These activity areas are open on a drop-in, first come, first served, basis by summer camps and conferences adult participants.

Climbing Wall: The climbing wall will be available by request only.

Sport Equipment Check Out: A variety of sports equipment is available for hourly check out at the Recreation Center entry desk. Currently available equipment includes basketballs; volleyballs; badminton nets and racquets; tennis racquets; and softball bats and balls. Only adults of youth groups may check out equipment and are responsible to see that the equipment is turned back in. Groups will be charged for lost or stolen equipment. Nominal rental fees apply for racquetball racquets and outdoor equipment. Reservations for group equipment are highly recommended. For information regarding available equipment please call the entry desk staff, 351-2062.

For Youth Groups: The group's supervisor will sign out the equipment using a driver's license or camp/conference identification badge or campus room number, and campus telephone number. The supervisor is responsible for checking out and returning all equipment.

For Adult Groups: The participants may use their conference badges or driver's licenses to check out equipment.*

*Please note: Groups checking out equipment are financially responsible for equipment that is lost, damaged, or stolen.

Facility Rentals & Reservations: For groups which possess, or are currently negotiating, Conference Services contracts, all requests for Recreation Center facility rentals will be made to the Conference Services office. All requests are taken on a first come, first served basis, and approval depends upon the general building schedule, general rental policies and staff availability. Final approval of all requested spaces, dates and times rests solely with the Campus Recreation Center Administrative staff. A current schedule of rental fees may be obtained from the Conference Services Office or the Campus Recreation Office. Rental fees include rental of space and routine set up and tear down of event equipment during normal operating hours of the Recreation Center. A surcharge of \$100 will be assessed for early opening and/or late closing of the Recreation Center. Depending on the size and scope of the event, additional charges may be assessed for: equipment rental, supervisory staff; custodial crew for set up tear down and cleaning; and any damages that may occur during the event. For more information, please contact Scott Schuttenberg, (970) 351-2067. Please note: Youth groups wishing to rent the climbing wall must obtain assumption of risk forms from our department and have forms signed by parents/guardians prior to the event, see Conference Services staff for this form or print the form at www.unco.edu/campusrec/rec_center/forms.htm.

Lockers and Towel Service: Lockers are available for day use only. Participants should bring their own padlocks to secure their belongings. (Note: The Campus Recreation Department is not responsible for lost or stolen items.) A towel service is available for \$1.00 per use, and a driver's license or conference badge must be left at the front desk until the towel is returned. Please note that the organizing group will be billed for lost towels.

Violence, threats, harassment, intimidation and other disruptive behavior by members of the University community or visitors will not be tolerated by the University of Northern Colorado. Such behavior can include verbal or written statements, gestures, or expressions which communicate a direct or indirect threat of physical harm. All reports of incidents will be taken seriously and will be dealt with appropriately by appropriate staff. Individuals who commit such acts may be removed from the premises and may be subject to disciplinary action, criminal penalties, or both, in accordance with University procedures. The President may adopt procedures for the investigation and response to incidents or threats of campus violence.

ABUSE AND DISCRIMINATION

Each resident has the right to live in a safe environment free from abusive or discriminatory behaviors.

Verbal abuse to a member of the UNC community includes offensive language and derogatory slurs, expressed either verbally or written, and is strictly prohibited.

Physical Abuse to a member of the UNC community includes using physical force upon another person or persons. The assessment of the degree of physical abuse is at the discretion of the UNC Staff member.

Sexual Misconduct, which for administrative purposes is defined as any sexual contact/intrusion/penetration that is absent of or without consent by all parties. All sexual misconduct violations are investigated by UNC Police Department. All sexual misconduct investigations are forwarded to the Weld County District Attorney.

Sexual Harassment, which includes but is not limited to non-consensual verbal or physical conduct related to sex which unreasonably interferes with an individual's work, educational, or social performance or creates an intimidating, hostile or offensive work, education or social environment; or is a violation of an individual's privacy, at the University, on University-owned property or at University-sponsored or supervised activities, or at functions of recognized student organizations.

Discriminatory acts including, but not limited to; racism, sexism, homophobia, and ageism are considered a violation of community standards. This includes intentionally, recklessly or negligently causing physical, mental or emotional harm to any person.

Threatening or intimidating behavior whether written, verbal or physical is not permitted. This includes conduct that threatens or endangers the health, safety, or welfare of others.

Harassment is defined as behaviors that create an environment so intimidating or hostile that it interferes with a student's ability to learn or participate in the campus community.

Misrepresentation to a University Staff

Providing false information or identification to a university official or providing false, deceptive or distorted information in a conduct meeting.

SIGNAGE ON CAMPUS

Any signage to be used in buildings on campus and meant to display must be approved by Conference Services in advance of the conference.

COMMUNICATION PROTOCOL

There are necessary standards of protocol that must be followed by each conference on the campus of the University of Northern Colorado. The Conference Director must instruct his/her staff to abide by the communication protocol. There will be a mandatory training provided for each conference and their staff prior to the start of all conferences on UNC campus.

➔ **It is absolutely necessary to communicate any emergency situation or incident to the UNC staff including the Hall Director and the Conference Coordinator.**

SAFETY AND SECURITY

The UNC Police Department (UNC PD) is on-duty or patrol 24 hours a day, 7 days a week. UNC PD can be reached by calling (970) 351-2245.

Located throughout campus are 18 Emergency Call Boxes, distinguishable by a blue light on top. The phones located in these boxes are a direct line to UNC PD. A patrol car will be dispatched immediately when UNC PD receives the call.

Please advise conference participants to walk in groups while on campus.

Individual residence hall room doors should remain locked at all times.

Any suspicious persons or actions should be reported to UNC PD immediately.

If requested, a UNC PD officer can be present at opening sessions of conferences to give a brief overview of security procedures for conference guests.

EMERGENCY 911 NON-EMERGENCY (970) 351-2245

FIRE EVACUATION/ESCAPE

1. Don't panic, stay as calm as possible – you will need to think clearly to make the right decisions.
2. Feel the doorknob with the back of your hand, never the palm (if the door is electrically charged the muscles in your hand will react and cause you to grab it).
3. If the door is cool, lean yourself against it, and open it slowly. As you leave the room, make sure all the windows and doors are closed (not locked).
4. If there is smoke in the air, stay low and move quickly in a crouched position or crawl toward the nearest exit (the most breathable air will always be near the floor). If one exit is blocked, try the next closest exit.
5. Alert others by shouting or knocking as you make your way to the stairs.
6. Always escape via stairwells, never use elevators. As you leave, make sure all fire doors are closed.
7. Once you evacuate, stay clear of the building, follow directions of fire and police personnel, and never re-enter a burning building to save personal possessions.
8. For safety of all residents, do not interfere with staff members or emergency personnel while performing their duty.
9. Do not re-enter the building until official university staff have given you permission.

CHEMICALS/EXPLOSIVES/FIRE WORKS

All types of fireworks are prohibited by the City of Greeley (Greeley Municipal Uniform Fire Code 78.102). The Greeley Municipal Fire Code makes it a violation for anyone to possess, store, sell, use or explode any type of fireworks. Violators may be subject to fines and imprisonment. Due to the physical danger to residents and the possibility of fire, any prank or activity involving fireworks, flammable material, liquids, explosives, dangerous chemicals, and noxious or harmful materials/objects WILL NOT be tolerated on university owned property. Activities involving the use of chemicals/explosives/fireworks may result in severe disciplinary sanctions issued by the Department of Housing & Residence Life staff as well as prosecution under applicable criminal codes. All chemicals/ explosives/ fireworks found in any residence hall room are subject to immediate seizure by authorized staff members.

FIRE SAFETY

Most residence hall fires are caused by careless smokers, open flame cooking equipment, candles, or overtaxed electrical systems. Toxic gases in smoke, usually caused by burning plastic, can render a person unconscious in a few seconds. Open flame devices, including candles, cigarettes, and incense may not be used in residence hall rooms.

FAILURE TO EVACUATE

Failure to evacuate during a fire alarm or hindering the evacuation of other occupants during a fire alarm is prohibited. Severe disciplinary action, including possible dismissal from the University of Northern Colorado, may be imposed for violation of these procedures. Additionally, criminal prosecution is possible for pulling fire alarms (Colorado Revised Statutes 1973 18-8-111 (a) as amended) and for damage resulting from the unauthorized use of fire fighting equipment (Colorado Revised Statutes 1973 18-4-506 as amended).

Anyone found in violation of the fire safety policy may be removed from the residence halls for the remainder of the conference.

Fire safety is very important in the residence halls. Smoking, open flame cooking equipment, candles or overtaxed electrical systems causes most residence hall fires. Toxic gases in smoke, usually caused by burning plastic, can render a person unconscious in a few seconds. For these reasons Housing & Residence Life has the following policies.

Use of candles and/or incense in the residence halls is prohibited. Burned wicks may be evidence of use in the halls. Decorative candles must have an unburned wick or have the wick cut. For the consideration of residents with allergies, possession of incense is prohibited.

Possession or use of chemicals or explosives of any kind are prohibited in the residence halls. Possession of an explosive device is a felony.

Tampering with fire equipment or disabling any part of the fire alarm system, discharging an extinguisher or registering a false alarm can endanger life and property and is prohibited in the residence halls. This is also a federal offense and will be pursued criminally.

Failure to evacuate a building when evacuation procedures are in effect places you in severe danger. Although on occasion, there is a "false alarm", each alarm is to be treated as a real threat to the safety of our residents. Failure to evacuate a building is taken very seriously by the Department of Housing & Residence Life.

Intentionally or recklessly misusing or damaging fire or life safety equipment, including, but not limited to, security cameras, telephone lines, safety signs, fire alarms and extinguishers is a prohibited behavior in the residence halls.

Arson is defined as purposely setting fire. In the event a student is found responsible for intentionally setting a fire, the student will be responsible through the University conduct system and for local, state or federal law

GENERAL INFORMATION

AUDIO VISUAL EQUIPMENT

The Office of Conference Services makes arrangements for the use of audio/visual equipment by conferences and will attach all charges for equipment set-up and usage to the final conference bill. Conference Services requires the Conference Director to confirm all equipment reservations with Conference Services no later than two weeks prior to the event. Typically, audio/visual equipment may not be ordered within 48 hours of the event.

DISABLED GUESTS

Most classroom buildings on campus and the Dining Centers are accessible for those with handicaps. If special housing accommodations are needed for guests with disabilities, arrangements must be made 30 days in advance, as space is limited in the residence halls.

FACILITY USE

The Office of Conference Services coordinates with appropriate facility managers to determine rates and schedule events in various athletic, academic, residential, dining, and meeting facilities.

Use of any facility will incur a daily usage fee, which will be included in the final invoice from Conference Services. For safety and security purposes, the university requires the presence of the appropriate professional staff in some facilities during conference events. The conference must pay the hourly wage of persons employed during non-business hours of the facility. Fees will be assessed by the facility services department for equipment set-up and/or rental.

Any facility reservation that is cancelled within 30 days of the conference start date will incur a charge of one-half of the normal usage fee.

GOLF CART USE

Some Conference/Camps utilize golf carts on campus. Golf carts are prohibited in the tunnel under 11th Avenue at all times and are not to be driven or parked on the grass at any time. Only those with valid drivers licenses may operate a golf cart. Golf Carts must be operated in a safe manner or will be impounded by UNC Police. It is highly recommended that golf carts be locked to a secure place when not in use.

LOST AND FOUND

Lost and found items, including keys and guest dining cards, should be turned in to the front desks of the residence halls or the information desk at the University Center. Guests should check for any lost items at these locations. UNC cannot be responsible for lost or stolen articles.

If a found item is requested to be returned, it will be mailed to the Conference Director, who will send the item to its owner. Any shipping charges incurred will be included in the final bill.

PARKING

There is limited free parking available on campus throughout the summer. J lot, Q lot and T lot are all free; any other lot will require a parking permit. These can be purchased at the lot vending machines or through Conference Services. A conference may purchase permits or lots, if done prior to the start of the conference. A campus parking map is available through the Conference Services office or can be found on line at www.unco.edu/parking/images/parkingmap.gif.

PETS

No pets are permitted in or on UNC's facilities. However, specially trained animals will be allowed on campus only if UNC's department of Conference Services is notified and written approval is provided three days in advance of each event.

WEATHER

Average summer temperatures in Greeley are highs of 89°F and lows of 59°F. Summer rain showers and lightening storms are not uncommon.

Any outside events that require increased physical activity must allow for adequate water/fluid breaks. Participants must be advised to increase fluid intake throughout the activity.

LIGHTNING

Lightning strikes are very common in the Front Range. Designate a responsible person to monitor lightning activity during any outdoor event. Visit www.unco.edu/safety/lightning.htm for more guidance. During thunder storms avoid:

- High places and open fields, isolated trees, unprotected gazebos, rain or picnic shelters, baseball dugouts, communications towers, flagpoles, light poles, bleachers (metal or wood), metal fences, convertibles, golf carts, water (ocean, lakes, swimming pools, rivers, etc.).
- Using wired telephones, taking a shower, washing your hands, doing dishes, or any contact with conductive surfaces with exposure to the outside such as metal door or window frames, electrical wiring, telephone wiring, cable TV wiring, plumbing, etc.

If the time delay between seeing the flash (lightning) and hearing the bang (thunder) is less than 30 seconds, seek a safe location and avoid the preceding activities.

TORNADOS

If a tornado warning is issued, a tornado has actually been sighted.

- Do not use the general building alarm to signal a tornado alert!
- Do not use the elevators.
- The basement of a building is generally considered the shelter. However, most large buildings can not accommodate all building occupants within the basement (and mechanical rooms in basements are locked, have limited space and equipment hazards). Plan alternative refuge and follow general guidelines:
 - Take refuge on the lowest floor in your building, or to the interior hallway of a middle floor.
 - Avoid gymnasiums (large open spaces) and window areas.
 - Crouch down on the floor and cover your head with your arms.
 - Take a radio to the shelter if you have one (to check weather updates) and cell phone. Bring along water bottles, coats, snacks or any food you have available, and a first aid kit if you have one.
 - Do not leave the campus in your vehicle or on foot during a warning. If you are in your car or outdoors, enter the nearest building. If you cannot make it to a building, find a ditch or depression in the ground to lie in. Cover your head with your arms. Do not remain in your car.
