Assessment Council
Meeting Minutes
February 9, 2011
10:30-12
University Center, Spruce A

1. Assessment Map – set March 9 deadline for collecting information and providing to Kim

2. AACU Institute – decided that it is too soon in our process to make a recommendation to send a team this year. Kim will do follow-up to see what type of on-campus trainings might be available and also request information from the assessment listserv from anyone who has participated in this workshop in the past.

3. Sub-committees split to work on their respective tasks.
