Bright Futures Start Here

At the University of Northern Colorado, we've never really been a follow-the-herd kind of place.

If you're looking for a university where you live out-of-the-box instead of trying to fit into one, where you can be part of a community that cares deeply about student success, then UNC is the place for you. Bring your ideas, dreams, passion and curiosity, and we'll give you the space and support to find your future.

FIND YOUR PASSION AND YOUR PURPOSE

You'll find small class sizes, big opportunities and the right campus culture to dig deeply into your coursework, engage in campus life, personalize your experience, make it your own and find your sense of belonging. Our nationally recognized programs in teaching, nursing, business and the arts are just a few of more than 100 majors you can choose from.
