

YOU got this!

As you complete these Admitted Student Next Steps, we are here to support you every step of the way. Visit the admitted student page to access your portal and connect with us!

□ Visit your UNC Admissions Portal

Your hub for all things future-student related. Find your counselor, update your information and view and complete your admitted student next steps. unco.edu/admissions/admitted-students

□ Apply for Financial Aid

Submission of the FAFSA/CASFA is required to receive need-based financial aid, including the UNC Tuition Promise benefits for those who qualify. Submit by the June 1 priority deadline.

□ Submit the UNC Scholarship Application

Used to award over \$4 Million annually to current and incoming students, this one application is accessible via your UNC Admissions Portal. Apply every year and ASAP!

□ Save your Space

Submit the 'Tell Us Your Plans' decision form in your UNC Admissions Portal to accept your offer and let us know you'll be attending UNC!

**Must be completed to apply for housing and sign-up for New Student Orientation.*

□ Join the ZeeMee Admitted Student Channel

Join our official ZeeMee community and get connected! Chat with future classmates, take the roommate quiz, explore shared interests, and join live social events—all in one place. It's the perfect way to start making connections before you arrive.

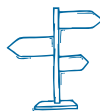

□ Apply for Housing

Choose from over a dozen residence halls and as many themed residential learning communities. The housing contract opens in December and rooms are selected on a first come, first served basis.

□ Plan your Admitted Student Visit

Keep an eye out for invitations to exclusive admitted student events. Meet Future Bears, connect with faculty and academic advisors, explore housing, and gain confidence about your UNC story. View dates on the admitted student page today.

□ Sign-up for New Student Orientation

NSO sessions run throughout the summer and help you build your UNC community, explore campus traditions and feel confident about your next steps. You'll also get your student ID and discover key resources. Sign-up opens in February, and spots fill quickly!
