

UNC Community Garden Application

Step 1: Complete and submit application to Sarah Boyd, 501 20th Street, Greeley, Colorado 80639 (or email to sarah.boyd@unco.edu). Gardeners in good standing may request a plot assignment from the prior year. Open plots are rented to new applicants on a first come, first served basis. To support new community garden members, one plot per applicant will be assigned, exceptions are nonprofits supporting a group of gardeners. If you desire to garden more than one plot, please indicate this desire on your application. Unclaimed plots will be assigned on a first come first served basis.
