Completed applications must be submitted through NursingCAS on or before Friday, September 18th, 2026, 5pm (MT)

STEP 1 – Admission to UNC (must be completed first)

To apply for admission to the Bachelor of Science nursing program, you must first be admitted to the University of Northern Colorado (UNC).

- If you have never attended UNC, you must apply to the University:
 - Formal applications to UNC are found at www.unco.edu/admissions.
 - Apply as an undergraduate transfer student 'Nursing-Exploring' if you do not have a previous bachelor's degree.
 - Apply as an 'undeclared' transfer student if you have a previously earned bachelor's degree or will graduate in fall 2026.
 - Use the code 'UNCnursing' to waive the application fee.

We recommend you apply to UNC ASAP to ensure completion of admission in time for application. It can take 8 weeks (or longer) for admission to UNC to be completed.

- If you are presently enrolled at UNC or were recently enrolled and withdrew in good academic standing, you only need to apply to the School of Nursing. You do not need to reapply to UNC.

TRANSCRIPTS:

- any high school concurrent (or dual) enrollment credits earned (if applicable)
- proof of any previous degree (if applicable)

Please note—Current UNC students **do not need to send a UNC transcript to UNC but do need to send UNC transcripts to NursingCAS (see step 2)**. UNC students should verify that all previous courses, from UNC or other schools, are captured in Degree Works.

Official transcripts are routed to the Office of the Registrar for evaluation upon admission to the University. Questions may be directed to transfereval@unco.edu.
