Each camp will have 1 conference meal cards that will be held at the check stand of the campus dining hall.

### AGENDA/SCHEDULE

The Conference/Camp Director must submit a finalized schedule of events and list of contacts for each conference to Conference and Event Services at least no later than the pre-conference meeting. The document should detail the daily agenda, including meeting places and times, activities, mealtimes, etc.

### AUDIO/VISUAL EQUIPMENT

The Conference and Event Services Office will make arrangements for the use of audio/visual equipment by conferences and will attach all charges for equipment set-up and usage to the final conference bill. Conference and Event Services requires the Conference/Camp Director to confirm all equipment reservations with Conference and Event Services no later than two weeks prior to the event. Typically, audio/visual equipment may not be ordered within 48 hours of the event.

### BILLING AND DEPOSIT

The Conference/Camp Director is responsible for a 10% deposit for all non-UNC sponsored conferences at the time of contract. The final invoice for the conference, which includes all charges associated with the conference, will be sent to the Conference/Camp Director following the conference departure. Use of any facility will incur a daily usage fee, which will be included in the final invoice from Conference and Event Services. For safety and security purposes, the University requires the presence of the appropriate professional staff in some facilities during conference events. The conference must pay the hourly wage of people employed during non-business hours of the facility. Fees will be assessed by the facility services department for equipment set-up and/or rental.

Any facility reservation that is cancelled within 30 days of the conference start date will incur a charge of one-half of the normal usage fee.

### GUARANTEES

A guarantee of residential and dining numbers is due **10** days prior to the camp/conference start date.

The guarantee indicates the number of participants who have registered for the conference and are expected to attend. It will be used to formulate floor plans and staff schedules and is the minimum billable amount for the conference. Though we will make efforts to accommodate walk-up registrants, due to space restrictions, we cannot guarantee housing on campus to non-guaranteed participants.

## GUESTS WITH DISABILITIES

Most classroom buildings on campus and the Dining Centers are accessible for those with disabilities. If special housing accommodation is needed for guests with disabilities, arrangements must be made 30 days in advance, as space is limited in the residence halls. ## FACILITY USAGE AND REGULATIONS

### DINING SERVICES INFORMATION

Conference/camp participants will be assigned to have their meals in the University Center Food Court. Dining Services requests the following from each of our participants:

University Center Food Court

1. The dining room will be open during posted hours only.
2. Food is available up to 10 minutes after the posted closing time, so as long as your group is in the dining room by the posted closing time, there will still be food available.
3. All UNC students, faculty, and staff have the option to select a "takeaway" meal instead of eating in the dining room.
4. Bicycles, scooters, and skateboards are not permitted inside the building. There are storage racks located outside of the University Center for these types of items.
5. Dining Services is not responsible for lost or stolen items, however, there are security cameras in this area.
6. Appropriate clothing and shoes (non-cleated footwear) are required to enter the dining room. Please no swimsuits, bathrobes, cover-ups, or towels.
7. Please enter the dining room only once per meal period.
8. Please enjoy "all you care to eat" while in the dining room; however, the only food allowed to leave the building is a piece of hand fruit.
9. Personal sack lunches (or foods from outside vendors) are not allowed in the dining room. The only exception to this is that beverages purchased at Einstein Bros® at the University Center may be brought into the dining room.
10. Please leave all condiments and napkin holders in the dining room so everyone has access to them.
11. Please clean up your tables – dishes, cups, and cutlery need to be taken to the trash receptacles after eating.
12. Please be sure to walk (not run) in the dining room.
13. Horseplay, such as throwing food, intentionally creating messes, and overly loud/rowdy behavior will not be tolerated, and may result in removal from the dining room.
14. Please do not move or rearrange tables. This affects our low-vision guests, damages the carpet/table legs, and is against fire code regulations.
15. If the dining room is busy and you have finished your meal, we encourage you to move your group outside the dining room so we can make room for incoming guests. If there are guests waiting to be seated and your party is lingering, you may be asked to relocate.
16. In case of an emergency, dining staff will direct you and your group to ensure a safe and orderly response to the situation.

Information is subject to change in 2026, please refer to Dining Staff on site for updated information.

In compliance with the federal Drug Free Schools and Communities Act, the University of Northern Colorado (University) prohibits the unlawful manufacture, dispensation, possession, use, or distribution of a controlled substance (illicit drugs, including marijuana) of any kind and of any amount. Our policies prohibit all illegal drugs including Medical Marijuana (regardless of whether a guest has a Medical Permit to use or possess it). These prohibitions cover an individual's actions which are part of any university activities, including those occurring while on University property or in the conduct of University business away from the campus.

The misuse of prescription drugs poses significant health risks to individuals. All medications prescribed or purchased over the counter are designed for

a specific purpose, and any misuse, illegal use, distribution, and/or sale of this type of medication is strictly prohibited.

- The distribution of prescription drugs is defined as sharing or sale of drugs that are specifically prescribed to one individual by a physician. Distribution of prescription drugs is a violation of state and federal laws.
- Exchanging prescription drugs for goods, services, or monies is strictly prohibited in the residence halls. The sale of prescription drugs is also a violation of state and federal laws.
- Personal misuse is the use of any prescription or over the counter drugs in any manner other than prescribed or indicated.

Drug paraphernalia is prohibited. Drug paraphernalia includes but is not limited to all equipment, products, and materials of any kind which are used, intended for use, or designed for use in planning, propagating, cultivating, growing, harvesting, manufacturing, compounding, converting, producing, processing, preparing, testing, analyzing, packaging, repackaging, storing, containing, concealing, injecting, ingesting, inhaling, or otherwise introducing to the human body a controlled substance.

In accordance with State of Colorado Executive Order B 2018 011, "smoking, vaping, and the sale of tobacco products, and e-cigarettes are prohibited in all buildings and on all grounds owned or leased by the state under the control of the executive branch".

#### Elevators

Many of UNC's facilities are equipped with elevators for your convenience. It is important that basic safety measures be observed at all times.

Please obey load limits, refrain from horseplay in elevators, and do not attempt to stop elevator doors from closing. In case of an elevator failure, please use the call box to call for help. Never attempt to exit a malfunctioning elevator without safety personnel to assist in your evacuation.

Vandalism to the residence hall elevators, including damage caused by horseplay or willfully disobeying elevator safety guidelines, will result in charges for elevator repair.

#### Emergency Participant Cancellation Procedures

If a participant is unable to attend a scheduled conference, he/she must notify the Conference/Camp Director before the first day of the conference. If the participant has arrived on campus and has checked into a residence hall, he/she must check out at the Front Desk and notify the Conference/Camp Director that he/she will not be continuing with the conference.

The Conference/Camp Director, not individual registrants, should notify Conference and Event Services of all cancellations and departures from the conference. The information should include the participants' name, conference and dates attending, and a brief reason for cancellation.

Credit for late arrival and/or early departures **will not be given** under any circumstances unless arranged at least 10 days prior to conference check-in date.

#### Emergency Telephone Numbers

Below are the phone numbers for each of the Neighborhood Front Desks. Each desk provides services for various buildings. The Basin Neighborhood Desk provides service to those staying within Harrison and Turner Halls. The Ridge Neighborhood Desk provides service to North, South, and Lawrenson Hall. The Mesa Neighborhood provides services to Bond, Brown, Dickeson, Lujan (Presidents Row), Wiebking, Wilson, Belford, Decker, Gordon, Hansen-Willis, Sabin, Snyder Halls as well as Trotter House.

#### Energy Conservation

UNC is proud to help you conserve energy and recycle. Please be energy conscious in the residence halls-turn off appliances and electronics when they are not in use, turn off the lights in your room when you are not there, and report leaking pipes to the designated Neighborhood Front Desk. Recycle bins are located in residence hall dumpster enclosures, and each residence hall room has a blue recycle bin to help you sort recyclables.

#### Fire Life Safety Equipment

Tampering with fire equipment, disabling any part of a fire alarm system, discharging a fire extinguisher, hanging decorations from any part of a fire sprinkler system, or registering a false fire alarm can endanger lives and property. Any tampering with fire life safety equipment is prohibited in the residence halls. This behavior is also a federal offense and will be pursued criminally.

#### Housekeeping

The University of Northern Colorado Housing Department provides housekeeping services in all public spaces. If immediate services are required, please notify the front desk staff immediately.

Linens are not provided in the residence halls. Overnight Guests must bring their own linens and toiletries. Residence Halls with community style bathrooms have soap, toilet paper, and paper towels provided in the restrooms. These community style bathrooms are cleaned daily. Residence halls with

en-suite bathrooms are provided with one roll of toilet paper and are not refilled until the camp is over.

#### Internet Computer Access

Wireless Access is available in all residence halls and in most common areas. Logins are available to the Conference/Camp Director upon request. There is no charge for wireless access. Please use the Guest login for wireless connection.

#### Keys and Access Cards

A room key and/or card are issued to each participant at the time of check-in. For security reasons, neither the residence hall name nor the room number is on the key, only the facility name is on the card. A fee will be charged to the participant if a key/card is lost or not returned. To avoid lost key/card charges, please make sure participants keep their keys/card with them at all times.

Fees for lost keys: \$80.00 for keys and \$10 for access cards

If a key and/or card are not returned during check-out, the charge will be billed to the conference on the final master bill.

#### Laundry Facilities

Washing machines and dryers are located in each residence hall. There is no cost for laundry; however, laundry detergent is not supplied. Laundry machines require high efficiency detergent. Participants can monitor laundry equipment availability here: <https://www.unco.edu/living-on-campus/housing/laundry.aspx>. The University is not liable for damaged, lost, or stolen items. Please report any issues with equipment at <https://www.jetzservice.com/>

#### Packages/Messages

Each Conference Staff member and participant can receive mail at the designated Neighborhood front desks. The name of the conference and conference participant must be on each package/letter. However, delivery cannot be guaranteed while the attendee is on campus, and we therefore highly discourage camper/conference guests receiving mail and packages during their stay.

Please address mail for conference/camp participants as follows:

Name of Participant  
Name of Conference/Camp (REQUIRED)  
UNC <Insert Hall & Room Number>  
Greeley, CO 80639

#### Room Damages

Damages that occur in a residence hall room while a participant is in residence will be charged to the final bill.

- Any damages done to common areas will be charged to the group in that residence hall.
- Furniture should not be moved from the rooms at any time. There is a \$25.00 minimum charge per piece that is moved.

#### Safety and Security

- All residence hall exterior doors are locked 24 hours per day. An access card is required to enter the building.
- Door propping is defined as placing any object in the area near or around the exterior doors of the building. In an effort to prevent the door from being able to close or lock upon closing, please refrain from propping doors.
- Building surveillance is utilized in some UNC buildings. The use of cameras can aid in investigation of policy violations and can be used in investigation of criminal activities.
- Key/ID Misuse: For your own safety, do not lend your room key and/or card to another person. Duplicating, borrowing or loaning room keys or cards to guests or friends is prohibited under any circumstances.
- Possession/Use of weapons, and/or ammunition: The possession of weapons or reasonable facsimiles of weapons, including, but not limited to, ammunition, BB guns, bows and arrows, firearms, knives, martial arts weapons, and paint guns are prohibited in residential facilities.
- Unauthorized entry into or use of residence hall facilities or another student's room, custodial and storage closets, roofs or any part of the buildings outer structure, attics, or on top of elevators or elevator shaft is a felony and is treated very seriously by the University of Northern Colorado.

#### Vending/Change Machines

- Vending machines are located in most common areas of each residence hall.
- Applicable halls have a soft drink machine, and some have a snack machine.
- Machines take cash or card.
- Access cards do not work in vending machines.
- Concerns/issues with vending machines can be reported to [dining@unco.edu](mailto:dining@unco.edu) or the front desk at each residence hall for repair. Contact information for refunds is located on all machines.

### GOLF CART USE

Some Conference/Camps utilize golf carts on campus. Golf carts are prohibited in the tunnel under 11<sup>th</sup> Avenue at all times and are not to be driven or parked on the grass at any time. Cart operators must have a current and valid driver's license and must have the license in his/her possession at all times during the operation of the golf cart. It is recommended to use designated roads and sidewalks while operating a cart. Speed limit laws must be obeyed while on campus (campus roads - 15mph and sidewalks - 5 mph). Any instance of careless, negligent, or impaired operation of a golf cart will be reviewed and investigated by UNC Police. Accidents involving golf carts must be reported immediately to UNC Police. There shall be NO standing on the golf cart while operating. Golf Carts must be operated in a safe manner or will be impounded by UNC Police. It is highly recommended that golf carts be locked to a secure place when not in use. Park carts on hard, covered surfaces such as asphalt and concrete. Never park in heavily traveled pedestrian areas. Do not block fire lanes, entrances to buildings, stairways, disability ramps, main thoroughfares, or fire suppression equipment. Violations of policy will result in the loss of privileges to utilize a golf cart on campus.

### PARKING

On-campus parking is requested and included in most conference/event packages. Conference/Camp attendees are required to have a permit to park on-campus.

The campus offers many parking options for guests with disabilities and Conference and Event Services works closely with Parking Services to determine whether the requested area contains sufficient accessible parking spaces located along the shortest accessible route. If the area does not contain sufficient accessible parking spaces, Parking Services will add sufficient number of accessible parking spaces along the shortest accessible route to the

conference location for the conference parking area.

Disability spaces in Lots I, J, and H require a state-issued disabled placard only for conference/camp registrants. These lots best service guests visiting the West Campus Residence Halls and the Recreation Center. Lot H is the most convenient lot for disabled guests visiting the Campus Recreation Center.

Each parking lot has an entrance sign which states the hours of enforcement. During non-enforcement hours a state-issued disability placard may be used to park in disability spaces.

Disabled spaces in any other lots require a state-issued disabled placard and an hourly or daily permit or (which includes the parking fees). Please contact your Conference Coordinator in advance if you have attendees with special needs. A campus parking map is available through the Conference and Event Services office or can be found online at <http://www.unco.edu/parking/parkingmap.html>.

## PETS AND SERVICE ANIMALS

No pets are permitted in any UNC buildings. Other than service animals, no other animals are permitted in UNC buildings. Due to the short-term and temporary basis of stays in UNC residence halls by participants in conferences and camps held on the UNC campus, and consistent with applicable laws, no animals other than service animals are allowed in UNC residence halls. Any questions about pets or other animals in UNC buildings should be directed to UNC's Disability Support Services office at (970) 351-2289 (VP D(eaf)/HOH: (970) 373-5303) or [disabilitysupport@unco.edu](mailto:disabilitysupport@unco.edu).

Located throughout campus are 26 Emergency Call Boxes, distinguishable by a blue light on top. The phones located in these boxes are a direct line to UNC PD. A patrol car will be dispatched immediately when UNC PD receives the call.

Please advise conference participants to walk in groups while on campus.

Individual residence hall room doors should remain locked at all times.

Any suspicious persons or actions should be reported to UNC PD immediately.

If requested, a UNC PD officer can be present at opening sessions of conferences to give a brief overview of security procedures for conference guests.

**EMERGENCY 911                      NON-EMERGENCY (970) 351-2245**

## **CHEMICALS/EXPLOSIVES/FIRE WORKS**

Due to the extreme physical danger to residents and the possibility of fire, fireworks, flammable material, liquids, explosives, dangerous chemicals, and/or noxious or harmful materials or liquids are strictly prohibited on University-owned property. This includes, but is not limited to propane, gasoline, etc. All types of fireworks are prohibited by the City of Greeley (Greeley Municipal Uniform Fire Code 78.102). The Greeley Municipal Uniform Fire Code makes it a violation for anyone to possess, store, sell, or use any type of fireworks. Guests found to be in possession of fireworks will be subject to University disciplinary action and criminal fines or imprisonment. Activities involving the use of any chemicals, fireworks, and/or explosives will not be tolerated on university-owned property. Students found in possession of any chemicals, fireworks, or explosives will face university disciplinary action and/or criminal prosecution. Any fireworks, explosives, or chemicals found in any housing assignment are subject to immediate seizure by authorized staff members.

## **EVACUATION**

In the event that a campus or building evacuation is required, move quickly, but in an orderly fashion to the nearest exit. **DO NOT USE ELEVATORS.**

It is campus procedure to evacuate whenever a fire alarm sounds or when directed by emergency personnel. Once outside of the building:

1. Continue to a safe distance (a minimum of 300 feet or more when directed by emergency personnel).
2. Keep clear of emergency vehicles.
3. Gather at your pre-determined safe location and try to account for all persons who were in your area. If you know of people who are injured, trapped, or unaccounted for, report that information to emergency responders immediately.
4. Do not leave the campus without notifying your Conference Coordinator or Residential coordinator.

### *Emergency Evacuation for Individuals with Disabilities*

Individuals with disabilities at the University of Northern Colorado (UNC) must be prepared in the event of an emergency. Prior planning of emergency evacuation procedures and practicing evacuation routes are important to ensure a safe evacuation during an emergency.

Areas of Refuge are located in some buildings. An area of refuge is a location designed to serve as a temporary designated safe area from the effects of a fire or other emergencies when evacuation may not be safe or possible. Occupants can wait there until rescued by emergency personnel. When using an Area of Refuge, an individual should contact UNC Police from a campus phone at 911 or from any other phone at (970) 351-2245.

Area of Refuge locations can be viewed on the UNC Emergency Preparedness website (<https://www.unco.edu/emergency-preparedness/emergency-plans/evacuation.aspx>).

## **FIRE SAFETY**

Most residence hall fires are caused by careless smokers, open flame cooking equipment, candles, or overtaxed electrical systems. Toxic gases in smoke, usually caused by burning plastic, can render a person unconscious in a few seconds. Open flame devices, including candles, cigarettes, and incense are prohibited in residence halls. For these reasons Housing & Residence Life has the following policies.

Failure to evacuate during a fire alarm or hindering the evacuation of other occupants during a fire alarm is prohibited. Severe disciplinary action, including possible dismissal from the University of Northern Colorado, may be imposed for violation of these procedures. Additionally, criminal prosecution is possible

for falsely pulling a fire alarm (Colorado Revised Statutes 1973 18-8-111 (a) as amended) and for damage resulting from the unauthorized use of firefighting equipment (Colorado Revised Statutes 1973 18-4-506 as amended).

Anyone found in violation of the fire safety policy may be removed from the residence halls for the remainder of the conference.

Use of candles and/or incense in the residence halls is prohibited. Burned wicks may be evidence of use in the halls. Decorative candles must have an unburned wick or have the wick cut. For the consideration of residents with allergies, possession of incense is prohibited.

Tampering with fire equipment or disabling any part of the fire alarm system, discharging an extinguisher or registering a false alarm can endanger life and property and is prohibited at the University of Northern Colorado. This is also a federal offense and will be pursued criminally.

Failure to evacuate a building when evacuation procedures are in effect places you in severe danger. Although on occasion, there is a "false alarm", each alarm is to be treated as a real threat to the safety of our residents/occupants. Failure to evacuate a building is taken very seriously by the Department of Housing & Residential Education and UNC Police Department.

Conduct that violates federal, state, local, or campus fire policies including but not limited to causing a fire that damages UNC property and/or causes physical injury to another person, or improper use of UNC fire safety equipment, tampering with or improperly engaging a fire alarm or fire detection/control equipment while on UNC property is strictly prohibited.

### *Fire Evacuation/Escape*

1. Don't panic, stay as calm as possible – you will need to think clearly to make the right decisions.
2. Feel the doorknob with the back of your hand, never the palm (if the door is electrically charged the muscles in your hand will react and cause you to grab it).
3. If the door is cool, lean against it, and open it slowly. As you leave the room, make sure all the windows and doors are closed (not locked).
4. If there is smoke in the air, stay low and move quickly in a crouched position or crawl toward the nearest exit (the most breathable air will always be near the floor). If one exit is blocked, try the next closest exit.
5. Alert others by shouting or knocking as you make your way to the stairs.
6. Always escape via stairwells, never use elevators. As you leave, make sure all fire doors are closed.
7. Once you evacuate, stay clear of the building, follow directions of fire and police personnel, and never re-enter a burning building to save personal possessions.
8. For safety of all residents, do not interfere with staff members or emergency personnel while performing their duty.
9. Do not re-enter the building until official university staff have given you permission.

### **MEDICAL EMERGENCY**

1. Dial University of Northern Colorado (UNC) Police from a campus phone at 911 or from any other phone at (970) 351-2245.
2. Report location (i.e. Building, Room Number, etc.) of person needing assistance.
3. State that you have a medical emergency and whether or not an ambulance is needed. The call will be transferred to the responding agency. Be prepared to give a basic description of the nature of the injury or illness.
4. If trained, begin first aid. Do not move the ill/injured person unless failure to do so would cause further injury and it is safe to do so.
5. If available, send someone to direct the emergency responders to the location of the medical emergency.

### **WEATHER / OUTDOORS**

Average summer temperatures in Greeley are highs of 89°F and lows of 59°F. Summer rain showers and lightning storms are not uncommon.

#### *Flood*

During periods of heavy rain and flooding:

1. Be cautious of low-lying areas that may have flash flood conditions.
2. Report flooding on or near campus to UNC Police at (970) 351-2245.

#### *Hail*

1. Seek protective shelter immediately.
2. Remain indoors or under protective shelter until hail has stopped.

#### *Heat Exposure*

Many individuals are exposed to heat while outdoors or in hot indoor environments. Operations involving high air temperatures, high humidity, or strenuous physical activities have a high potential for causing heat-related illness. Important ways to reduce heat exposure and the risk of heat-related illness may include: being in a cool environment (such as air conditioning), be sure to take proper rest cycles, and drink water often. It is important to take proper first aid measures if symptoms of a heat-related illness occur.

#### *Lightning*

Lightning strikes are very common in the Front Range. Designate a responsible person to monitor lightning activity during any outdoor event. During thunderstorms avoid:

- High places and open fields, isolated trees, unprotected gazebos, rain or picnic shelters, baseball dugouts, communications towers, flagpoles, light poles, bleachers (metal or wood), metal fences, convertibles, golf carts, water (ocean, lakes, swimming pools, rivers, etc.).
- Using wired telephones, taking a shower, washing your hands, doing dishes, or any contact with conductive surfaces with exposure to the outside such as metal door or window frames, electrical wiring, telephone wiring, cable TV wiring, plumbing, etc.

If you hear thunder, begin preparation for evacuation. If you see lightning, consider suspending activities and heading to the designated safer locations.

An important thing to remember: Sometimes lightning storms can develop overhead. This means that the first lightning strike from the cloud might be in your immediate location.

Your Conference Coordinator can provide additional information for lightening protocols for summer conferences.

### *Mosquito Prevention*

Individuals are reminded to take precautions during the summer season, such as wearing some form of insect repellent, to avoid mosquito bites when outdoors. In addition to wearing some form of insect repellent, additional precautions include:

1. Dusk and Dawn are when mosquitoes are most active, limit outdoor activities during these times or take precautions.
2. Dress in long sleeves and pants during dawn and dusk or when in areas where mosquitoes are active.

### *Tornados and Severe Weather*

Do not assume it is safe if a weather alert ("watch" or "warning") has not been issued as tornados or other severe weather can occur at any time. You may be at risk and should prepare to take cover anytime severe weather threatens. Severe weather notification may be given over the University of Northern Colorado (UNC) emergency mass notification system. If severe weather occurs in the area:

1. Do not use the general building alarm to signal a tornado alert.
2. If you are indoors, go to a Tornado Staging Area or take cover under a desk or table.
3. Avoid auditoriums, gymnasiums (large open spaces) and window areas.
4. Do not leave campus in your vehicle or on foot during a warning. If you are in your car or outdoors, enter the nearest building. If you cannot make it to a building, find a ditch or depression in the ground to lie in. Cover your head with your arms. Do not remain in your car!
