

Leadership through Art Education

Senior: Art Education, Angel

Overview

- Co-founded and created an Art Education Club for Preservice Students
- Currently President of the National Art Education Club.

Story Time:

How I got into Leadership

Donna Goodwin

- Director, School of Art and Design & Associate Professor of Art Education
- New student representative for the search for an additional art education professor.
 - I helped interview potential professors.

While I was
interviewing
and asking
questions...

- 
- Idea from Donna: Start a club
 - I told her it was a great idea!

Abi Paytoe-Gbayee: Okay Let's Make a Club!

- Advisor
- It's go time!
 - Office hours
 - Coffee shops
 - Went to her house
 - Spent a summer Creating a club.

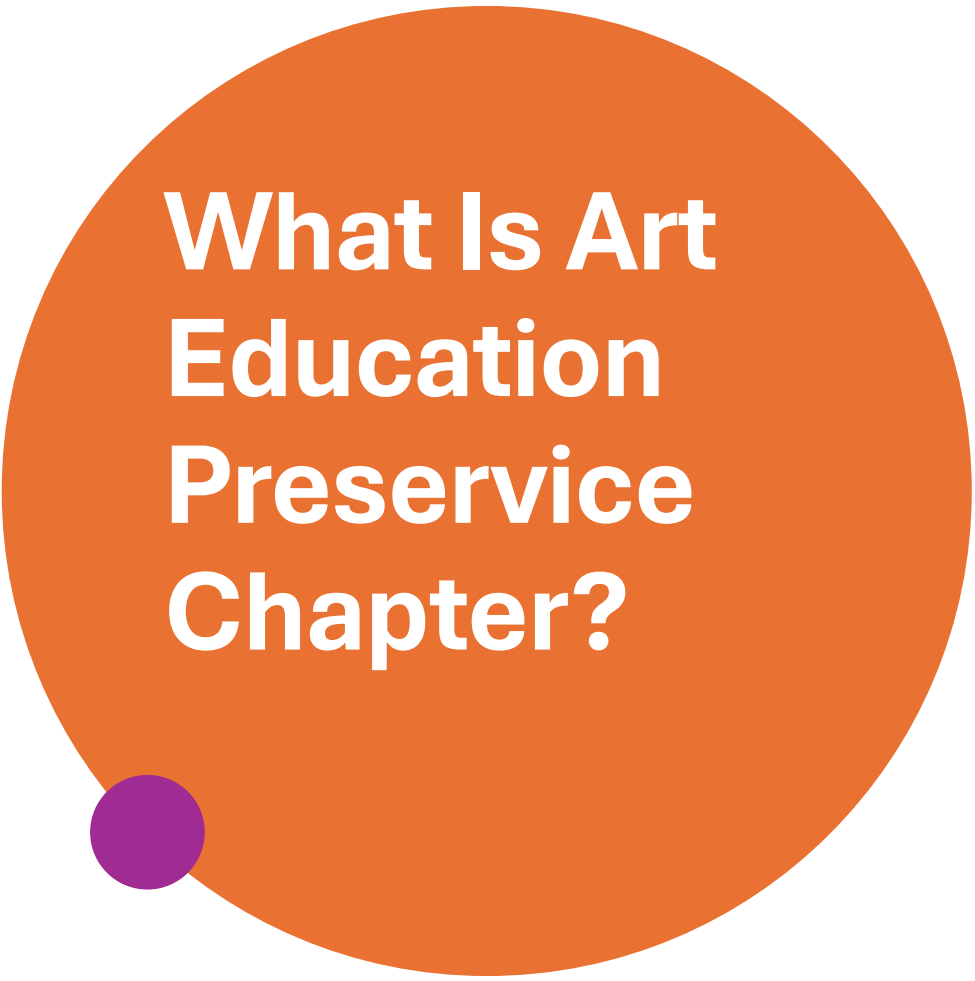

Why make a club?

Freshman Year in College: No Art Education Classes

Sophomore year: One Art Education Class.

As an art ed student, I noticed there wasn't a space just for future art teachers.

What Is Art Education Preservice Chapter?

- Builds a community of future art educators through service, research, and professional development

Vision, Mission

- Vision:
Art educators leading and innovating through community and creativity.
- Mission:
Equip future educators with tools, networks, and opportunities to excel.

Values

- **Collaboration:** Community art partnerships & service projects
- **Community:** Mentorships, networking, and peer support
- **Creativity:** Art-making workshops & teaching technique exchanges
- **Inclusivity:** Supporting all member voices & diverse perspectives
- **Professional Engagement:** Conferences, research, and advocacy

Inclusivity

- Culturally Aware practices
- Supporting all member voices & diverse perspectives

Art Education Preservice Chapter (AEPC)

- Past Struggles:
 - Finding leadership
 - Juggling all the logistical aspects of a club
 - Finding a time that works for everyone
- Successes:
 - Great Leadership, Connection
 - Development
 - Growth

Takeaways:

What impact will you make?

- It is not about the things we possess; it is about the impact we make.
- Make connections, network

How will you extend your leadership when you graduate?
