

University of Northern Colorado
College of Osteopathic Medicine

**Policy: Compliance with UNC Procedures for Research Involving
Human Participants**

Responsible Party: Associate Dean, Preclinical Education (transitions to Assistant Dean of Research)

COCA Standard: 8.4

Review Frequency: Annually and as needed.

Research involving human subjects at UNC is governed by University Regulations 3-8-104, established by the Board of Trustees to ensure that all such research conducted under UNC's authority adheres to ethical standards. Faculty of UNC COM who wish to engage in human subject research must ensure compliance with all relevant policies and procedures available at:
