

C O O L

STARTING THE FUTURE TEACHER CLUB

By: Isa Schulte

Cumbres Leadership Project

Who am I?

I am an Elementary Education major with a CLD emphasis. I am also apart of the 4+1 CLD Masters here at UNC.

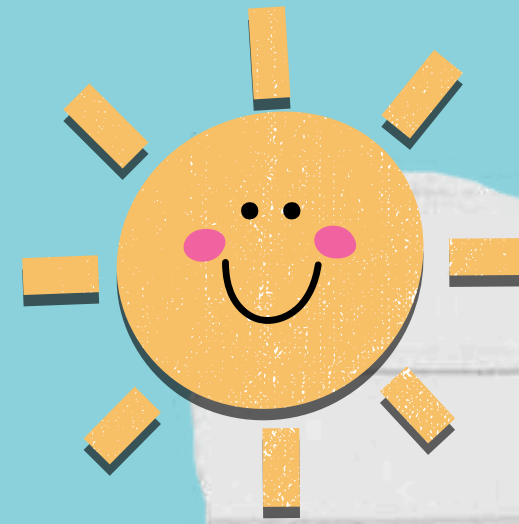

I have worked as the Cumbres RA and Cumbres Liaison for the Future Teacher Club (more on that later).

I also teach second grade at Shawsheen Elementary!

I love to read, watch Formula 1, and rock climb in my free time!

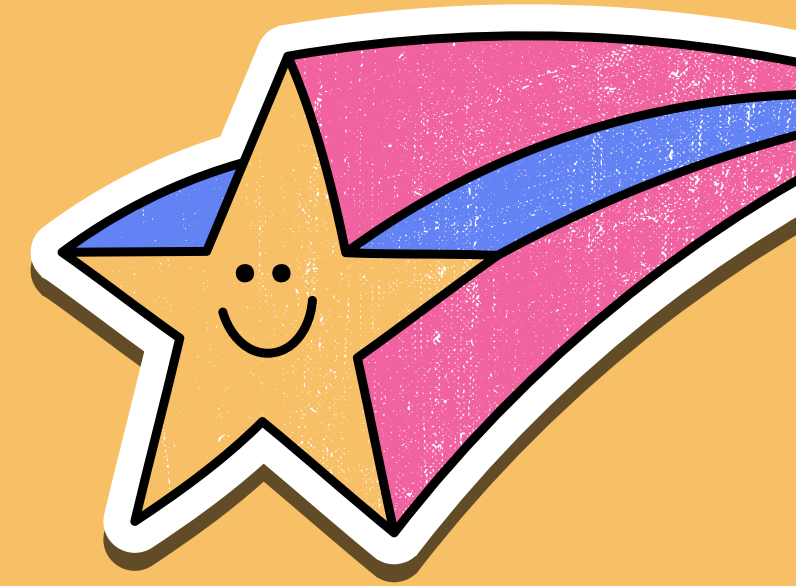

**It all started
with an
email...**

On March 7, 2024 Dr. Suzette Youngs reached out to Fiona C., Laura K., and myself about the possibility of getting a Future Teacher Club off the ground. Dr. Youngs and Chris Kyser had run a club that was similar 4 years prior that died during Covid.
