

The UNC Sports Performance Department, located in the Empower Center, is accepting applications for the role of Graduate Assistant Sports Performance Coach beginning in Fall of 2026.

**Responsibilities:** Under the guidance of the Sports Performance Staff, you will direct the training for 2 of UNC's varsity teams and assist with all aspects of Football. The role will have supervision and direction of student interns. This is an in-person position that has job responsibilities that cannot be completed remotely.

**Qualifications:**

- Acceptance into UNC's M.S. in Sports and Exercise Science program.
- Ability to establish In-State tuition by Fall of 2026 or willingness to pay difference in tuition until residency is established.
- NSCA-CSCS certification and Certified in CPR/First Aid are required or in the process of completion upon arrival.
- One year of experience working in college athletics preferred.

**Compensation:** A tuition waiver is provided and a monthly stipend for 10 months each year. Applicants must submit a cover letter, resume, and professional references in ONE PDF document to the Director of Sports Performance/Olympic Sports, Payne Kesler at [thomas.kesler@unco.edu](mailto:thomas.kesler@unco.edu), Phone: 970-351-2534.
